For the week of Wednesday, July 7th, 1996

Local News

Hello McBride, enjoying this nice hot summer we've had for almost a whole week now. I sure have, it's been great.

My name is Susan Glines, from Forever Printing. I'll be taking over the Little McBride Paper from this week on. We're all sorry to see Darrell, Diane and the boys leave McBride as they are a wonderful family. All the best wishes with the camp ground (Good luck with all those animals). And don't worry Darrell we haven't said a word to the police about your real destination so they shouldn't be able to catch up to you again for at least 2 more years. (ha, ha, just kidding).

This is my first time out doing a paper such as this. I know alot of you and the ones I don't, I would like to. I'll do my best to keep Ed's high standard of quality reporting up to par.

I want to help get information from around town out to the people so if you have something you want the community to know about, please let me know.

RCMP TO GET NEW BUILDING - The federal Government is building a new house for 1 officer and a new station in McBride. The house is already under construction on Dominion Crescent, and the new station will be started in August. They do not have a contractor as of yet, so anyone who wishes to bid on the contract can get the information from the Village Office here in McBride. Bids must be in by July 26, 1996. The contractors will be dealing through Vancouver (Construction plans will also come from Vancouver).

Their new station will be 2/3 bigger than the current station plus a basement for storage. The Federal Government is spending lots of money in McBride this year said Corporal DE BOERSAP.

Around 1958 they built the current station with only one cell, attached living quarters for a corporal and his family plus an attached single mans quarters for new recruits who were not allowed to marry for several years.

This new building will have 3 cells as well as a proper interview room and facilities to hold meetings. It will be built on North Frontage Road between the Husky gas station and the Esso gas station where the RCMP own an acre of land. The pavement should be down in two months and they hope to be in the new building by January 1997. Every one is looking forward to the Move.

RCMP are not anticipating the need for a larger staff but the new facility will accommodate double the staff. It is only 1 step smaller than the office in Valmont. The old station will be offered to another Federal Agency first for 1 dollar or offered at a fair market value to the Provincial or Municipal Government. If no Government is interested it will be advertised for sale to the general public. There has already been inquiries by the public for the building.

RENOVATIONS - McBride Clothing Store has been renovating the outside of their building for the past 2 weekends for total of about 5 days. Both Family & friends of Judy & Brian Shawara (Owners) have been helping with the beautification project. New colors for the store front are medium grey with brick red trim. Looks Pretty Sharp!! "Broom" is impressed!! It's projects like this that keep McBride looking so good for our residents and visitors!! Way to Go!!

Hey Travellers... Here you are in McBride gassing up your vehicle and thinking "What a cute little town... but what's there to do here??" Well visitors there's lots!! Before you can leave this town you MUST take a trip to the picnic site 1/2 way to the top of McBride Peak!! This spectacular site gives you a "bird's eye" view of our beautiful valley and is accessible by most vehicles!! Caution to motorists... it requires a fair bit of power to get to there and it's hard on brakes coming down!! Plan to take a long time getting to the bottom with lots of cooling down stops along the way... or hitch a ride!! To get there drive to the Beaverview Campground (2kms east of town) and hang a left on Mountainview Road. Go a kilometer or so and turn right on Rainbow Falls Road. Then it's all up hill from there!! (about 15 minutes) For the 4 Wheel driver you can go twice as far and then take a hike to the very top to the lookout tower!! Plan at least an hour to enjoy this drive... It will be well worth the time!! And to you "local" folk... pack a little popcorn and take the Family up to watch a sunset!! These are "Life's little pleasures" we often neglect... DON'T!! Get out and enjoy Beautiful McBride... "BC's Sunset Capital!!"

Quote of the week
"Love your enemies... they will go crazy trying to figure out what you're up to!!"

McBride Police Report

1. **ERRATIC DRIVER** on 96JUL06 a McBride resident called police regarding an erratic driver who had been racing around town and spinning donuts. The driver had been recognized and was issued a ticket under the Motor Vehicle Act. He also voluntarily cleaned up some of the mess he caused on a gravel parking lot.
2. **THEFT** On 96JUL06 police attended a local business which had an undisclosed amount of cash stolen. The thief had gained access to an employee only area of the establishment and taken advantage of the opportunity. There are no suspects in this case.
3. **BREAK ENTER AND THEFT.** Police were notified of a Break and Enter in the Small River area which had occurred between 96JUL05 and 96JUL06 and a quantity of alcohol was stolen. On 96JUL08 a 17 year old McBride area youth was arrested and charged with this offence.
4. **BREAK ENTER AND THEFT.** On 96JUL08 police were notified of another Break and Enter which had occurred overnight at the Panda restaurant. A quantity of alcohol was stolen. This investigation is still ongoing and police are asking for anyone who has information on this offence to contact them.
5. **UNSAFE PASSING.** Police were called by a citizen who was very upset with a passing motorist. The vehicle had passed three vehicles against a double solid line in the Slim Creek area and had forced an oncoming vehicle onto the shoulder of the highway. The caller managed to obtain the licence plate and the Alberta registered owner will be receiving a ticket for "passing when unsafe" under the Motor Vehicle Act.
