Local News

Hey everyone, give yourself a pat on the back because you made the 1996 Robson Valley Trade Show a huge success. There was about 2100 people that attended the wonderful event and all had a great time seeing all the wonderful treasures from around the valley. We had people and businesses from all over B.C. It was a great event and we are all looking forward to the next one. Congratulations to the winners of the big event- Fri- \$500 draw- Dennis Shawara & Sat- \$1,000 draw Evelyn Laycock.

McBride Preschool Update - Even though the portable which was our home has now been relocated to Dunster, the McBride Preschool is now been relocated to Dunster, the McBride Preschool is now continuing operations in the Elementary School. We are currently running classes Monday to Thursday, 8:30 - 11:15 am. The children and our instructor, Kairyn Russell Janeecke, are doing a great job with adapting to a new classroom, new routines, and new friends. Everyone is having fun participating in circle time with song and finger plays, story time, crafts, painting, rice table activities, and of course free play time. The Preschool will also enjoy a variety of field trips which the instructor is trying to organize. The children will also adventure to the Public Library for story time until the weather turns too cold. The McBride Preschool is grateful to the Elementary School for their overwhelming support in helping keep the goals of the Preschool alive. Very special thank yous go to Steve Fleck who has been behind us along the way and the staff who were generous to allow us to utilize a empty classroom for which they had plans of their own. I would like to thank the following people who helped with our packing of the preschool and our two moves during the summer--Steve and Robyn Fleck, Kairyn Russell Janeecke, Wendy Miskic, Kevin O'Brien, Rhonda and Tracey Bodnarчук, Michele and Randy Lawrence, Adeline Neufeld, Irene Rejman, Brenda Molendyk, and Val Sluggett. Preschool couldn't have done it without the support of all of you. **THANK YOU.** We still have spaces available Monday to Thursday. If any one would like more information about registering, please call Rose O'Brien at 569-2227. by Rose O'Brien, Chairperson

Police Report

1. Vehicle & Trailer MVA. On 96-09-02 at 8:55am the McBride
RCMP received a call regarding a Jeep and the travel trailer it
was towing having missed the Holmes River Bridge on Hwy. 16
and gone partially over the embankment. The 34yr old Pr.
George driver lost control after the trailer started fishtailing going
down the hill. The two young children were in proper child
restraints and received no injuries. The driver and his wife
received minor injuries only. The vehicle and trailer damage was
estimated at \$40,000.
2. Seatbelts - Police have received a number of complaints about
non-buckled children in vehicles in and around McBride. A
seatbelt operation is planned for the near future.
3. Missing Hiker / Hunter - On 96-09-06 McBride RCMP were
notified of a missing hiker and his dog in the KAKWA
PROVINCIAL RECREATION AREA. A search plane out of
PR. GEORGE conducted the first search of the vast area that
afternoon and a Police helicopter was utilized the following day
when Peter BRUEHL of Ft. St. JOHN managed to walk out of
his truck. He had injured his foot and after waiting 4 days he
hiked out. Police would like to advise all hunters / hikers to file
a detailed trip plan with a friend which includes accurate departure
/ return dates, destination and route.
4. Trailer Fire. On 96-09-10 at 4:44 Police were called to a
burning travel trailer just off Hwy. 16 on the Goat River Forest
Service Rd. The trailer was completely destroyed. It was unoccupied
at the time. Arson is not suspected.
