### Community Arrangements

COMMUNITY CARE WEEK October 13-19, 1996- Community Care is a vital part of health care in B.C.. This special week is a tribute to the thousands of dedicated people who work as care providers or act as caregivers to clients, family members, and friends in care facilities and at home - a celebration of the sharing caring spirit of our communities.

McBride Centennial- Did you know that a powerful predictor of a child's success in school is how often they have been read to at home? All parents are invited to a free presentation called "Ready, Set, Read". It is a program for adults who are interested in nurturing literacy in children. Come hear what research has to say about the most significant factors affecting reading success. The presentation will include practical, easy to implement tips that are guaranteed to make the learning to read process both fun and productive. Barb Dean, the presenter will also introduce participants to books for use by beginning readers. Barb is a professional librarian and has been responsible for all aspects of children's library services at Prince George Public Library for over 10 years. She has an extensive knowledge of children's books and a contagious enthusiasm for 'raising readers'. So everyone come and have a great time on October 19th from 10:00 until 11:30 a.m. at the McBride Centennial School. Come and Check it out and there will also be Scholastic books on sale at our library!!!

HANDYMAN SERVICE- The Handyman service provides the elderly and disabled with a person to do minor repairs for a nominal fee. Tasks which take less than one hour- \$2.50. Tasks that take over one hour- \$5.00/hr. For more information on this, or any of our programs, contact: Robson Valley Home Support Society, Box 430 McBride, B.C. VOJ 2E0 or Telephone: McBride 569-2266 or Valenmount- 566-9017 Fax- 569-2200. So don't worry about asking for their help, from mowing lawn, shovelling snow to changing a light bulb because that's what the Handyman is here for.

## APPOINT TOWNS

Recycling- I know some people do recycle here in McBride because when we take our items to be recycled it's always full. Just what I like to see. I was one of those people who thought it was a waste of My time, but when I started thinking about the future I thought maybe it wouldn't hurt to try. So me and Oscar started bins. Wow I couldn't believe the papers we were throwing away, and that's with no business. Then we sat down and discussed the changes it can make in our Valley and our children's futures. So I hope this article will help change someone's minds like it did mine. It's not expensive all you need is some bins and a trip to the recycling bins located at the Robson Valley Recreation Center once every two weeks or so. The best part I find is that every time you take a load you feel good about what you've just done for your valley. In 1995, residents and business in the Regional District produced 127,428 tonnes of garbage. This is equivalent to 10 million household garbage cans. WOW!!! The good news is that reuse, recycling and composting efforts in 1995 has resulted in 18% less waste being buried in Regional Landfills than in 1994. Drop-Depot Per Capita Recycling in McBride is 12.2kg per person per year. Dunster I give you a BIG pat on the back. They did 15.3kg per person per year. Please remember this is a great cause so KEEP UP THE GREAT WORK.
