### Local News

This is directed to the person or persons who felt they had a right to invade our personal and private possessions. A lot of things taken could only have meaning to us. One item in particular would be two video tapes enclosed with our video camera and case, capturing most our daughters 1st year of life, something we can never replace. -We would appreciate the return of all or any of the items you have taken, which have no value to you. -Brian, Leeanna, Colton, Meegan Taphorn -Call 569-2406 All you Susan Aglukark fans will be pleased to hear that she and her husband have just had a bouncing baby boy. Born on Wednesday, Oct. 16 was 8 lb. 10 1/2 oz. Cameron Joseph Alliaq Porter. Everyone is doing well. We wish them all the best. Speaking of Susan Aglukark, Oscar met her manager, Val Haas, a lady from Prince George, in the Travellers parking lot the other day talking with Frank and Linda Pitua. With her was a Singer/ Songwriter by the name of Keltia. She has two previous albums that were put out in the 1980's and she also did a song with Terry Kelly called We Can Do Anything. She has just released a new album called The Luck Ones. Her first single off that album is called The Strong One and was Pick Hit of The Week two weeks ago on CMT. Keltia will probably begin touring in Canada in the New Year. The trip across Canada that they are doing now is just a promotional media trip to get the word out for the new album. -Keltia was born in Claresholm, Alberta where she lived until the age of 12 at which time they moved to Calgary. She lived there till the age 18, then moved to Toronto and went to University. Keltia is married to the man who produced the album and they have a four year old son named Keldon. Oscar found her to be a very nice person and has listened to her new CD and thought that it was outstanding. When she starts touring, hopefully McBride Roundhouse will be one of her stops. -Now I told you that story so I could tell you this one. While Oscar was standing talking to Keltia in the Travellers parking lot a friend of Linda and Franks by the name of Darrell Hubbell from Prince George showed up for a visit. As it turns out he is married to manager Val Haas's cousin, but they have never met before. So everyone had a good visit. Only in McBride would something like this happen.

UHF- The fantastic night began with "Eugene Sledge" a.k.a. Bob Thompson trying to introduce the band UHF with great comedic difficulty. He looked great in his long black hair, tattooed arm and heavy English accent, just like a Rock and Roll Roadie from Twisted Sister. Everyone loved him and that started the night off full of laughs. Then Shari Ulrich, Bill Henderson and Roy Forbes came on stage. They sang great songs from their 2 UHF albums and told stories on where they got the ideas for the songs. Everything from family members to personal experience. Like when Bill went to the Middle East with his old band "Chilliwack" in 1985 to perform for the soldiers stationed there -great song- or about Rays lifetime love and Shari's Father in law. All fantastic songs, you could just feel the energy and love when they sang their songs. The neatest part for me was all of the different types of instruments that they played. Shari played about 5, Bill 3 and Roy 3. It was neat to see them switch to play different styles of songs. They then ended the wonderful night by playing a popular song from each of their past albums. They received a standing ovation and I can see why. They were just incredible. Broom, Brooms Mom and Oscar really enjoyed themselves and hope the Roundhouse Theatre gets them back again.
