Local News

Community Calendars- The dry grads this year are thinking of going to Whistler instead of Disneyland because of the exchange rate of the U.S. dollar. Broom thinks it's a cool idea. So now it's up to the community to help their trip be a successful one. Grads are out there trying to raise money so please help them. Buy a Community Calendar if you haven't already done so - it's too late to get your family's birthday's or anniversaries in them but you can still order calendars from the Secondary School at 569-2295. The cost is only \$8.00. The Community Calendars will be out by Feb. 1st 1997 and the Grads will deliver the calendars to your house. - What a deal! Also around town are raffle tickets for a food hamper. Tickets are posted all over town and the draw will be held on Dec. 20, 1996. So McBride, get out there and help the Graduation class for a great cause. They all worked very hard and deserve a break.

Recycling- Christmas is getting closer and closer and everyone is doing their last minute shopping. Well remember to think smart - recycle your Christmas wrapping paper and boxes that you don't use. Also after Christmas remember to the same thing - take 10 minutes out of your life to help our world be a better place. Now I phoned the Recycling Center and they told me only paper Christmas wrapping paper - you can't recycle foil, waxed, or plastic so we all know now, it's time to make changes even if you only change your habits for Birthdays, Christmas etc. Then next year at Christmas time buy the products that have the recycling logo on them. Another great idea is to use dish clothes of fancy fabrics so it can be reused. Now that's a great idea. A sure sign that Christmas is here is all the decorations on Main Street. Join in with everyone in saying Merry Christmas by taking a peek at the Community Christmas Card in front of the post office.

The 17th Annual Chamber of Commerce Dinner and Dance was held on Saturday Dec. 7th at the Elks Hall. The evening was started with cocktails followed by a speech by our new Mayor Maurice Bonneville thanking everyone for coming. Charlie Leek then said grace. We all had an awesome dinner catered by Lilly Hill from Dunster. She and her crew did a fantastic job. After the dinner an even more incredible desert was served. Oscar gained 5 pounds. When dinner was over people socialized for about an hour, at which time the dance started with the band Night Owl. They were a mixture of Country and Soft Rock. Later on in the evening a draw was held for a mirrored pen holder and was won by Darcy Laframboise. It was a great evening and everyone had a wonderful time.

There was damage done to the High School Saturday morning between 1 a.m. and 11:30 a.m. Nine windows were broken and a scale located by one of the windows was stolen. Kal and staff are still going over things to see if anything else was missing. Kal doesn't think the break in is related to the dance they had that Friday night, but is very upset by all this commenting "The money that has to pay for the windows could have gone towards a new computer for the students." The RCMP have been called and are investigating. The Secondary School is also posting a reward of \$100. If you have any information you can also phone Student Crime Stoppers at 614-8336 and give them the information on any leads about who might have done this. It's sad that a bunch of innocent student's have to suffer because of some peoples ignorance.
