## HAPPY NEW YEAR!

We hope you all had a great Christmas and may 1997 be filled with all the best things in life. Lots of things to do and remember like taking down your tree, trying to find places for all the stuff you just got from Santa, freezing leftovers, and most of all trying to remember to write 1997 NOT 1996 on the cheque you just wrote. Then you have to think of a New Years Resolution and try to stick to it (Ya Right, Who are you trying to fool). Now people who really know Broom know I'm going to try my hardest. Wow another year, 1996 went by so fast, yet it was a great year for both Broom and Oscar both in our personal lives and our business lives and we have a lot of people to Thank.

## 1996 in Review

WOW McBride, 1996 was a wonderful year for our Valley. First of all we would like to welcome all the people who are new to McBride. It's great to see our community growing. There was a Big Election this year and McBride voted in Maurice Bonneville as the new Mayor, three new council members- Brenda Hooker, Mike Frazier and Bob Callaghan also a previous council member, Bob Balcaen. In the Regional Election Pete Anyoony was voted in. The McBride RCMP had a change of one of it's members this year. Constable Darren Perpelitz and his family moved to town. Also new in town is Karen Janacek and her family who is the new teacher for the McBride Day Care Society. Then there was all the new businesses started around town such as Jenny's Shop and Wash- owners Ned and Debbie Wiltsie, Karen Perpelitz for Tupperware, Julie Holland for Sunworthy Wall Coverings, Melvin and Kelly Taphorn with The Saw Doctor. Jim Karas for North Country Lodge. Susan Glines in Forever Printing and Scott Glines for Glines Signs. John Miskie for MCB Construction. Some of the old businesses with new ownership are: Barry and Debbie Kohn are now in McBride Clothing, Dean Fehl is in IGA, Tim Hill is in Esso, Bobbie Ann and Nelson Hicks are in Bigway, Mike Nagy is in Home Hardware, Jill Mader is in North of Fifty. Don and Sally Monroe are in the Powerhouse Pub. Susan Glines is in The Little McBride Paper. -Face Lifts around town were done by North of Fifty with a new wall mural and a stain glass effect for their lights. Sandman Inn newly renovated rooms, restaurant, lobby, kitchen, and the outside of the building. Travellers Inn renovated their rooms and restaurant. Robson Valley Rec. Center added a new multi purpose court, lockers, showers, and fixed up the lobby. McBride Clothing painted the outside of their building. Country King also painted the inside and outside of the store. Bubba's Bistro & Deli painted the inside of their store and Bigway made changes inside the store and painted the building. The McBride Volunteer Fire Department received a fancy new fire truck. -Chevron installed new holding tanks for their gas. The Contract for Highway maintenance went to Northlands this year. -There were layoffs at the Forestry Office. -A new Police Station was started and will be done in 1997 plus a new house will be completed for a member of the RCMP. -The McBride Day Care Society moved into the Elementary School as the old was sold. -This year A BIG Event for McBride was the Yana Fest drawing in a large number of visitors to our fine town. -McBride Hockey teams did exceptionally well this year. Congratulations to them all. -We want to Welcome all the new bundles of joy who joined us this year and we would also like to give our condolences to those who lost loved one. -These are just some of the things that have happened in our community and I'm sorry if anyone was missed.  
 Wishing you all the best in 1997

### Weather & Highway Report

I phoned the Talking Yellow Pages in Prince George to get an update for the weather conditions for Prince George and area. I was told that we would be getting light snow falls over the next couple of days. Now I don't know what they consider light but to me the snow fall we have had does not fall in this category. I then got the Road Condition from the same phone call and they didn't even have a report for Highway 16. I guess our roads must be clear.

But seriously folks when you are travelling please be careful while driving as the animals are coming out. It's really bad weather and snowing lots so the moose and deer will be coming down to get salt off of the roads. Last week I herd that a person saw 23 animals from McBride to Prince George. We would like to hear that everyone had a safe trip. Remember, going slow is better than not getting there. Also remember to travel with food, candles and a blanket.
