**Goalie Equipment Missing-** Sometime during the period of Nov. 30/96 to Dec. 6/96, 2 sets of Minor Hockey Goalie Blocker & Glove combinations went missing from the dressing rooms at the Rec. Centre. Despite being locked up, the thieves apparently pried open the lockers and removed the gear. Anyone who has knowledge of their disappearance is asked to contact either the McBride Minor Hockey Association or the R.C.M.P.

The McBride Novice Grizzlies attended a tier one tournament in Prince George Jan. 4 & 5. In game I against Crystal Glass, Paul Koldia was in net. McBride played hard, but was unable to generate any offence losing by the score of 5 - 0. Clinton Plashman then took over the goal- tending duties and was solid in net in the remaining three games. Against Play It Again in Game 2, Paul Koldia had three goals and 1 assist, Garrett Callaghan had two goals and 2 assists, Rodney Lavoie scored three times, Kaycee McLennan and Brett Komori added a goal each and Cesco Vizza helped out twice. The final score was 10 - 3. Game three was a barn burner with the Grizzlies being edged out 7 goals to 6 against Terrace. Again Paul Koldia was dominant, scoring 3 goals and assisting once. Garrett Callaghan added 2 goals and Rodney Lavoie scored once. McBride and Lonak met in the C Division final and played to a 4 - 4 tie at the end of regulation time. Unfortunately, the Grizzlies lost 2 - 1 in the shoot - out. -Paul Koldia and Garrett Callaghan each had a pair of goals while Paul, Rodney Lavoie and Brett Komori each had an assist. Rodney Lavoie scored the shoot - out goal. The Grizzlies were grateful for the helps of two Valenmount Novices, Rodney Lavoie and Brett Komori. Teams from Valenmount, Jasper, Prince George, Hinton and Quesnel will be in McBride January 18 & 19 for a tournament.

## Police Report

1. MOTOR VEHICLE ACCIDENT. On 9/1AN08 at 1603hrs. police and fire fighters were called to 3192 Hwy. 16, (approx., 3 kms east of McBride) where an Imperial Oil fuel truck had tipped over off a steep driveway and lay on it's side. The truck was carrying home heating oil and small amount had dripped into the snow from the top vent. This was cleaned up and removed. A fuel recovery specialist, Matt Neal assisted in removing the 10,000 litres of fuel before the vehicle could be moved upright again and towed away. No charges are contemplated.  
2. MOOSE ACCIDENTS. During the past week there have been several moose killed on Hwy. 16. Motorists are advised to use extra caution, especially in the dark hours. Once an animal has been killed on the highway maintenance contractor is responsible for it's removal. If the meat is salvageable, the Conservation Officer and the RCMP have a list of needy families that are willing to attend and remove the animal. They are required to contract the C.O. immediately and request a 'Sundry permit'. If you get the answering machine, please leave a detailed message and he will get back to you with the permit.

The Little McBride Paper would like to remind people and businesses that our deadline for Ads or Ad Changes is every Monday. So if you want it in that week please give us a phone call, fax us, write us the information and drop it off at the house or give it to us when you see us up town. Thanks Sue.
