Local News

From Northern Interior Regional Health Board- Another major step has been taken in the development of the "Better Teamwork: Better Care" plan for the delivery of health care services in the Northern Interior. As of today, the hospital amalgamation process is complete, with the Northern Interior Regional Health Board now responsible for the governance of hospitals and/or diagnostic and treatment centres in Prince George, Mackenzie, McBride, Vanderhoof, Fort St. James, Burns Lake, Valenmont and Fraser Lake. While amalgamation is a crucial step in the regionalization process, patients and most staff at the facilities won't likely notice any change. The recently announced operating grants provided a modest funding increase of .83% which allows for some stability. Facility Administrators will notice a change in the reporting structure. Instead of reporting to their former Board, the Administrator will report directly to the Regional CEO. The NIRHB welcomes all facilities to the new regional system, and congratulates all former Hospital Boards for their dedication to their respective facilities, and the needs of their communities. The NIRHB is providing an opportunity for those who wish to continue their community commitment in the form of Community Advisory Groups. Regional CEO, Dave Richardson says the Advisory Groups are important players on the Regional Team "I have requested all facility Administrators to provide whatever support is necessary to the Community Groups so that together, we can develop the best integrated health service system for this Region." Anyone wishing more information on joining a Community Advisory Group should call the Northern Interior Regional Health Board office at 250-565-6920.

Since then he has performed solo, with an accompanist, as well as working with Martin Simpson, Mark Koenig, the Great Western Orchestra, Stephen Fearing and with his compadre James Keckaghan. Oscar is also a member of the fabulous group The Cold Club, featuring Amos Carret, Karl Roth, David Wilkie and Ron Casst. In 1989 Oscar released a cassette of mostly original material, Hola. Oscar was honoured in 1994 by the Alberta Recording Industries Association with a nomination for Best Roots/ Traditional/ Ethnic Artist on Record for his second recording, Suenos. Earning him international attention and a 1995 Juno Award nomination for Best Album of the Year as well as Lopez's second ARIA nomination. Dancing on the Moon has received heavy air play on roots, Latin, and world beat radio programs alike. It was a Summer Favourite on CBC's Roots & Wings syndicated, and for several months remained on the World Beat Charts at CFRC Radio Kingston, reaching #1 spot on the charts as of November 1. The album was one of the "Top Albums of 1994 on WDET-FM Radio in Detroit and has been released (with new packaging and re-ordered tracks) in the U.S. by California-based indie Redwood Records. If you would like to enjoy the music of a very talented man and his accompanist, the Oscar Lopez Trio will be in the Roundhouse Theatre Friday, June 6 at 8pm. The Great Chicken Breast Blitz Two!!! The McBride Figure Skating Club is holding a second Chicken Breast Blitz between now and June 6, 1997. Order a 4 kilogram case of boneless, skinless, 5 oz. chicken breasts for only \$38 per case. They will be available for pick up on Wednesday, June 11. Believe us, this is the best investment you will ever put into your freezer space. Chicken breasts are wonderful baked, broiled or fried. They can be turned into 10 minute stir-fry or fajita suppers. Barbecued breasts are superb. The possibilities are endless. For those of us with absolutely no time they can mean the difference between conffakes for supper or a real meal. Call Pat at 569-3288 or Rosemary at either 569-3321 or 569-2264.

Hey Everyone, did you catch the biggest foot race of the year on June 1st. It was between Donovan Bailey (a Canadian) and Michael Johnson (an American.) Well I'm one of those proud people who watched the event for the Fastest Man In the World. The race was over before they hit the half way mark, when they were coming around the turn. I'm very happy to write that Donovan did us all proud, I wish I was one of those people sitting in that Colossium, cheering him on, supporting him, and his family and most of all Canada. -Michael ended up hurting his leg and didn't continue the race. Donovan in one of his interviews said something about a re-racing, well I don't know when or if it will happen, but I'll be sitting at home to watch the great event. I guess when Michael's leg gets better. Canada did it again- Way to go!
