### Local News

Tours- Oscar and I went sightseeing on Friday November 14th, to two different places in McBride. First one was in the Brand new RCMP Police Station which will be having an Open House soon. But seeing how we are the press we just barged our way in. Oscar and I got a grand tour from Sherry upstairs and downstairs. This is a very nice looking building both inside and out. It has a lot of space with rooms for interrogation, a new work out area, a kitchenette, storage area and a lot more. They definitely did a great job with this up to date facility. The second place we got to tour was the new K-LEE Juice Bar on First Avenue. The O'Toolies did a fantastic job renovating this building and making it into a place that people of all ages will enjoy going to. Watch for the Grand Opening coming Soon.
