## Police Report

**SERIOUS MOTOR VEHICLE INCIDENT-** During the early evening of January 3, the police, ambulance, and fire department were called to a vehicle over the bank accident near Horsey Creek. A west bound blue Sonoma pick up with two Mackenzie residents left the icy road on the north side and rolled down the bank. The 50 year old passenger managed to climb up the bank and wave down help. The 44 year old driver lay in the snow with serious injuries. Both occupants were brought to hospital in McBride and later transferred to Prince George Regional Hospital. Both were placed in Intensive Care with multiple serious injuries. At last word only the driver was still in I.C.U. It is believed that moose on the road contributed to the incident.

**SEMI TRUCK ROLLOVER-** Late in the evening on January 8, police received a call regarding an unloaded semi which had rolled after leaving the highway approximately 40 kms. west of McBride. Both occupants of the truck were okay. The driver from Edmonton stated that he swerved to miss a deer.

**REFUSAL TO PROVIDE BREATH SAMPLE-** During the early morning of January 10 police checked a McBride man driving near 2nd Avenue and Main St. A charge of refusal under Section 254 (2) of the Criminal Code is being considered.
