Police Report

HELICOPTER EMERGENCY LANDING - The R.C.M.P. from Prince George and McBride, along with a Canadian Forces aircraft, The Robson Valley Search and Rescue, and the BC Ambulance were called upon today to locate and assist three occupants of a downed helicopter. The police were called at 3:14 p.m. February 5th and reached the helicopter in the bush area near Dome Creek at 9:40p.m. There were no injuries from the incident, and plans are in place to rescue them by helicopter first thing in the morning, and bring more fuel for the helicopter. The helicopter was making a trip from Valenmount to Prince George and encountered poor weather conditions when the incident took place.

UPDATE: 98-02-06 07:30HRS. Canadian Mountain Helicopter and crew, PEP coordinator and McBride R.C.M.P. attended at the incident scene and extracted the pilot and two guests. The one guest had a dislocated shoulder from a previous incident and was transferred to the awaiting McBride BC Ambulance who escorted him to Prince George. Two Prince George R.C.M.P. members had sledged in last night and brought supplies and stayed the night. The downed helicopter was left and is to be flown out later today. The incident is still under investigation.
