COMMUNITY ANNOUNCEMENTS

Health Survey to be conducted in The Robson Valley. The McBride and District Health Promotion Committee has a mandate to promote health and wellness in collaboration with various agencies and members of the community. The Committee will be carrying out a health assessment survey during the last 2 weeks of February in order to establish what the people the communities of McBride, Dunster and Dome Creek feel their needs are in terms of improving health. The results of the survey will help direct the Committee in planning its calendar of events. The survey is broken into 9 components: personal health, law/protection, politics, recreation, spiritual health, social life, communications, economics and education. It is well documented in health literature that these components, individually and collectively, influence the health of people. The Committee is asking everyone who is contacted to help by participating in the survey. The survey results are confidential in that no names will be asked and the information will be published as collective information. For more information, please contact Val Keim: 968-4415, Linda Fry: 569-0126, Mary Henderson-Bekus: 569-3765 or Jane MacDonald: 569-3766. Submitted by McBride and District Health Promotion Committee.

Dear McBride - We're back at the Traveller's (the Puta's). Unfortunately, our business sale fell through. Although a preliminary agreement with purchase price was signed, a final agreement wasn't reached. We had signed a management agreement with the Lyons, who operated it for the month of January. They had and have not paid us one cent - that was our own ignorance - that is our lesson to learn. We had not upped the price, rather they tried to lower it significantly. We declined. I've returned to reopen the business as it once was before. We appreciate your understanding and support. Hope to see you soon. - Frank Pluta, P.S. Ingrid suffered heart failure last week; she was hospitalized in ICU for 1 week. Although she is very week, she is at home. She thanks all of you for your prayers and well wishes. The John Bird Memorial Fund is going well but they still has a ways to go. You can help the Public Library get a computer, CD ROM, along with CDs dealing with the environment, wildlife, and other subjects that John was involved with and concerned about. So dig deep McBride and help this very worthy cause. -Broom

COMING EVENTS

Roundhouse Theatre would like to present Gate Friesen & Katherine Wheatley, Thursday February 12th. Adults \$12.00 Students \$7.00. Armed with offhand wit, lively performances and compelling songs, Friesen and Wheatley are a powerful double bill. Both performers are well known on the Canadian Folk Circuit and have received considerable critical acclaim for their respective CD's. Folk singer Katherine Wheatley sings about the good things in life, things like secret hiding places, friends, gum, banana seat bicycles, coffee, tea and love. Prairie born Gate Friesen and band last performed at the Roundhouse in Spring of 95. This was a spirited, intimate performance which gave the Roundhouse an opportunity to try out its newly financed sound equipment.
