Saint Patrick

The patron of Ireland was a bishop and missionary. He was born in Roman Britain and, at the age of 16, was captured and sold into slavery in Ireland. During his captivity he turned to religion. After six years of labour as a shepherd, Patrick escaped to the Continent. He returned to Britain at the age of 22, determined to convert the Irish to Christianity. This goal led him to Gaul, where he studied, was ordained to the diaconate, and spent 15 years in the church of Auxerre. His first nomination as bishop to the Irish was rejected because of a sin in his youth. On the death of PALLADIUS - appointed first bishop of the Irish in 431 by Pope Celestine I - Patrick was ordained a bishop and set out for Ireland. St. Patrick's Day - March 17th.

Police Report

SNOWMOBILE THEFT: On the evening of February 28, 1998, a Prince George man's snowmobile trailer broke down on Highway 16 West near the Crescent Spur turn off. The man had come into McBride to get another trailer but when he returned the snowmobile was taken. Police are asking the Publics assistance for any information on the whereabouts of the 1996 Ski-Doo Mach Z, 580 c.c. Serial #108700059.

SEXUAL ASSAULT: On March 3, 1998, McBride RCMP began investigating a Sexual Assault which occurred in the Valenmount area. The information was gathered and forwarded to the Valenmount RCMP for follow up.

SUSPICIOUS OCCURRENCE: On March 4, 1998, McBride RCMP received a report from a Dome Creek resident who believed that an airplane had crashed. Air Traffic Control was contacted but no overdue or missing planes had been reported. The Rescue Coordination Centre in Victoria was notified and the following day had a Prince George Search and Rescue plane fly the area. That plane found what it thought to be two holes in the Fraser River near Bend with debris in one of the holes. Search and Rescue then sent in a helicopter with two Technicians who determined that it was a tree stump in the hole. They continued to search the whole area but found nothing.
