POLICE REPORT

COMMON ASSAULT- On April 25 police received a complaint of assault from a youth in McBride. The matter was investigated and resolved informally.

ROADSIDE PROHIBITION- On April 25 at 1:28 a.m. police checked a Prince George man preparing to drive on 1st Ave. He was issued a 24 hour driving prohibition, and his vehicle was towed for the night.

RECOVERED STOLEN VEHICLE- On April 29th police received a call about a vehicle parked just off the highway 12 kms. west of McBride. The Prince George owner of the vehicle was given a call and reported that he had left the vehicle at his mechanics shop a couple days earlier and thought it was still there. He came and recovered his vehicle the next day.

THEFT- On April 30th police were called to a local tow compound as a number of items had been stolen overnight. The most noteworthy item stolen was the meter from the inside of a taxi. If you have any knowledge of who was responsible for this offence, or where this meter is, please contact the detachment at 569-2255. You may remain anonymous.

RUNAWAY- On May 1st police were contacted about a teenage child who was missing. The individual was spoken to by police and was not in any danger and did not wish to go home. Police are not allowed to use force to return a child home under these circumstances.

STOLEN / VANDALIZED VEHICLE- On May 2nd police were advised of an older pick up that was stolen from the McBride area. It was later located on Lucille Mountain severely vandalized. Some Physical evidence has been located, and will be followed up on.

FOUND PROPERTY- On May 3rd a McBride man turned in a skill saw that was not his. It had been painted a solid colour by the owner. If this is your saw, please contact the McBride Detachment quoting file number 98-364.

THEFT- On May 7th a Main St. Business owner reported a minor theft with a suspect. The suspect was located with the item in question and arrested. The property was returned and this matter as well as a previous theft from a residence was resolved.
