SINGE MOTHER WENT AWAY

For Sharlene Robinson who passed away on July 25th, 97 Since Mother went away it seems - She's nearer than before - I cannot touch her hand and yet - She's with me more and more And Years have never lessened - The longing in my heart That came the day I realized - That we must dwell apart- And just as long as memory lives - My Mother cannot die, For in my heart She's living still - as passing years go by.

By Helen Steiner Rice
Far Away but not forgotten. We miss you Mom. Love Dad & all the kids and grandkids.

COMMUNITY ANNOUNCEMENTS

Hey McBride have you heard the news- McBride Fall Fair Books are on sale now!! You can pick them up at The Rose Garden Boutique and Country King. Start thinking on what your going to enter in the Fall Fair. McBride Playschool-if any one has a vacant hall, house or building which could accommodate the Playschool, we would love to hear from you. Please call Rose O'Brien at 569-2227. Found Sunday Night at Pioneer Days- Small Kodak Camera Case & 1 roll of film- possibly already used- If you have lost something like this, please give us a call at 569-3110. Broom's Comment- Now that Businesses have to take their own

cardboard to the recycling bins they are getting pretty full fast. Plus more people are using them. But what I don't understand is that this is not a place for leaving bottles or garbage. So why is that area such a mess? I think it's bad enough someone tried to start one of the bins on fire, but don't people know that this is not a garbage area? McBride does have a garbage truck that makes rounds every week. I don't think it is fair to the people who properly use and respect this as a recycling area. This is a very public place and should be kept clean so please respect it like you would your own yard. -Broom.

Baby Tips

To keep a newborn from losing his pacifier while in a reclined position, like an infant seat, place a cloth diaper or blanket under his chin and halfway over the pacifier then tuck the ends of the blanket under baby's shoulders
When preparing your own baby food, pour the processed food into ice cube trays and freeze. The ice cube sized portions make great single servings.
