Doctor Cowburn - In accordance with B.C. Medical Association policy for fee for service physicians, my office will be closed on October 29 & 30, 1998. Only emergencies will be seen by me at the Hospital on these dates. The reasons for this can be obtained from the information sheet which has been provided for you at my office and a copy can be obtained there.

Fire House at McBride Elementary School- The McBride Volunteer Fire Fighters set up a Fire House in the gym on October 21. Children were led through the house on their hands and knees by a fire fighter and shown what areas to watch out for. After they made it through the house they received a paper to draw out an escape route at their own house. If you didn't receive one, these are the rules- 1) Draw a floor plan diagram of your whole house. 2) Decide on an escape route and mark it clearly on your diagram. 3) Choose one (1) place outside your house to meet. 4) Post this diagram where everyone can see it clearly. 5) Practice your plan regularly.

Please remember to test your smoke alarm and batteries, also a good idea is a Carbon Monoxide Detector and Fire Escape Ladder for a two story house and fire extinguishers. It is important you child at any age knows what to do in case of a fire.

## POLICE REPORT

On October 17, at 01:35, a local male was arrested for impaired driving. Charges of impaired driving, over .08, refusal to provide breath samples and uttering threats have been forwarded to crown with a first appearance in court set for December 4th, 1998.  
On October 18, 1998 police attended a single vehicle accident on the east end of the Slim Creek Bridge. The driver and lone occupant was taken to Prince George by ambulance for treatment of his injuries. The driver had lost control of his vehicle on the icy bridge deck and rolled the vehicle ending up approximately seventy-five feet down the embankment.

On October 21, 1998 McBride RCMP arrested a male in the Dome Creek area on an outstanding warrant. The male was released on a Promise To Appear in Provincial Court in the Western Communities on November 14, 1998 to answer to charges of marijuana cultivation and theft of power.  
On October 22, 1998 McBride RCMP received a report of an injury accident in the Goat River area. The driver and lone occupant, a resident of Calgary sustained a fractured collar bone when he lost control of his vehicle on an icy curve and hit the ditch.

On October 22, 1998 police received a report of a child bitten by a dog. The injury was not serious and the matter remains under investigation.

On October 23, 1998 police responded to a complaint of an intoxicated male at the Sandman Inn. The male was taken into custody and lodged in RCMP cells until sober and released.  
The McBride RCMP would like to remind motorists to drive defensively and despite the pleasant weather we have been enjoying, the roads and bridge decks in the area can be quite slippery until the sun hits them.
