What's In A Name

Zachary- Hebrew: remembrance of the Lord
 Kimberly: Old English: by the royal fortress meadow
 Andrew: Greek: Manly
 Shirley: English: beautiful meadow
 A Fad is only a Fad...Fads do exist with regard to naming a child. In one decade, David and Kevin were favourites and parents right and left were christening their baby boys with these popular names. But do you want your child to be one of five or six in a class with that name? Or do you think it's better to have a slightly more unique one? Then, of course there's the question of a highly unusual name - one that people cannot spell or pronounce. Controversial names are icebreakers, but how important is that in the long run? In the shorter scheme of things, teachers will get it wrong and classmates will tease. It is better to find a happy medium with one that suits the child and goes with your last name.

POLICE REPORT

At 01:45 AM on September 26, a male had his vehicle towed and was issued a twenty-four hour driving prohibition due to the fact his blood alcohol was found to be more than the legal limit of 50 mgs in 100 ml of blood after he failed a roadside screening test.

Shortly after at 02:55 AM, a female also had her vehicle towed when she was found to have been drinking and driving. She was issued a twenty-four hour driving prohibition and is also going to be charged with refusing to submit to a roadside screening device demand under the Criminal Code.

Sometime between the hours of midnight and 03:00 AM on September 27, a break, enter and theft occurred at the McBride Forestry Office. The suspects made off with items at an estimated value of \$70,000.00 and a Ford pick-up which has since been recovered. The McBride Detachment are working closely with the RCMP Task Force set up in Prince George and the investigation is still ongoing at this time. If anyone was in the area of the forestry office late Saturday night, or early Sunday morning and might have seen something, or have information, please contact the McBride Detachment at 569-2255.

A report of mischief was received on September 27 at 11:25 AM when it was discovered that a vehicle had done damage to a shelter used by children waiting for the school bus on Westlund Road. If anyone has information please contact the McBride RCMP.

On October 1, McBride RCMP were requested to attend a residence to keep the peace. The matter was handled without any altercation.

The McBride RCMP have received another tip on telemarketing frauds. Residents are advised to be leery of any promises of cash or prizes. If it sounds too good to be true, it most likely is!
