**Thought of the Week**

An S.E.P. is something that we can't see, or don't see, or our  
 brain just doesn't let us see, because we think that it's  
 somebody else's problem. That's what S.E.P. means. Somebody  
 Else's Problem. The brain just edits it out; it's like a blind  
 spot. If you look at it directly you won't see it unless you  
 know precisely what it is. Your only hope is to catch it by  
 surprise or out of the corner of your eye.

## Police Report

Feb. 19 - Suspect(s) attempted to steal a truck parked at a local motel during the early morning hours. The passenger door of the vehicle had it's lock punched out, and an attempt was made to start it without positive results. There were two pac sacs containing emergency beacons, avalanche probes and other personal affects. The McBride RCMP are asking the public who may be working during the early morning hours to report any vehicles that may appear suspicious.

Feb. 22 - Police received a report of a tractor trailer on it's side in the ditch near Small River. The weather at the time was snowing and windy which made driving hazardous. The driver was not injured and the vehicle was removed the following day.  
Feb. 23 - A Smith's man reported losing a saddle valued at \$1500 and other gear from the rear of his pickup between McBride and Prince George. If anyone has information please contact the detachment.

Feb. 24 - A report of an impaired driver east of McBride was received around 7:00 p.m. The possible impaired driver turned out to be wanted on a Canada Wide Warrant. Two members of the McBride Detachment attended but found the vehicle and its occupants gone. Valdemont and Jasper Detachments were also advised and subsequently two members from Valdemont Detachment located the subject at Moose Lake. He was arrested and transported to Prince George the following day. An investigation of assault is also ongoing with the same subject.

March 6 - At about 02:30 a.m. a routine check of a vehicle found the driver to be under the influence of alcohol. A demand of the roadside screening device was made. The test resulted in the driver's license being suspended for twenty-four hours, and his vehicle was towed at his expense.

March 17 - Police are investigating a report of personation as a result of a male giving the wrong name when being issued a traffic ticket.

March 18 - Police arrested a 35 year old man from McBride for assault and uttering threats. He was escorted to Prince George and released the next day with several conditions. 1) Not to be found in any Licensed Establishment. 2) To abstain from consuming alcohol and/or drug. 3) To provide a breath or urine sample upon a Peace Officers request. 4) To report to a Bail Supervisor. 5) To reside at a residence approved by a Bail Supervisor. 6) Not to have contact with the victim. 7) Not to be found near Bridge Road or the 700 Block of Dominion Street in McBride. 8) While residing within 25 kilometres of McBride, not to be outside his residence between 9:00 p.m. and 4:30 a.m. 9) While residing outside a 25 kilometre radius not to be within the Village of McBride between 6:00p.m. and 6:00a.m. 10) Not to possess any firearm, ammunition, explosive or explosive substance. He will be appearing in Provincial Court on April 9, 1999 for a plea.
