Broom & Oscar's Comment

Hey McBride- going on Vacation this year - You might want to take 5 minutes out of your packing time and do a KIDS I.D. KIT List. We got one in the mail and I thought what a great idea - it's a crazy world out there and I myself think a person can never say never. It's for missing children, I myself know how fast children wander, it's hard to keep tabs on them when you in a mall, zoo, etc. So help the police and volunteer people help find your child faster. When you go on your vacation, please think about filling one of these out and always pack a recent photo of your child. For more information write or phone North America Missing Children Association Inc. NAMCA Inc. British Columbia Campaign Office, P.O. Box 550 New Westminster, B.C., V31 4Y8 Phone: (604) 713-7983.
One more thing - Speaking about children - To the little white car that went barreling down our back alley the other day. If you would have been 5 minutes sooner - you would have killed 2 little children playing in a mud puddle - Sure it seems fun and cool, but it wouldn't have been fun for the family of the children. I myself think if you want to drive like an idiot - join a race car driving - there are lots of children that ride their bikes or are walking and playing in back alleys - so think about it. Is that how you want to spend the rest of your lives - in jail for killing innocent little children. This also applies to any other vehicles driving around town or down back alleys. - Broom & Oscar.

THOUGHT OF THE WEEK

It may be bad manners to talk with your mouth full, but it isn't too good either if you speak when your head is empty.
