### INTERNATIONAL YEAR OF OLDER PERSONS

This year has been proclaimed as the International Year of Older Persons by the United Nations General Assembly. The purpose of the Year is to encourage understanding among generations and to foster awareness around the world of the significant role seniors play in families, and in every aspect of community life. It is an opportunity for us all to celebrate and appreciate the Seniors of our Community. Here at the Robson Valley Home Support, Seniors are very important to us and we have had several programs with them in mind. Did you know that... **EQUIPMENT LOAN:** we have an extensive stock of bath and mobility aids (walkers, bathlifts etc.) that can be borrowed on long-term loan at no charge. **HANDYMAN PROGRAM:** provides help with minor household repairs, painting, and yard work at a very nominal hourly fee. **LIFELINE PROGRAM:** enables Seniors to remain at home alone without fear, as with a simple push of a button (worn on a necklace or wristband) they can summon immediate assistance. **MEALS ON WHEELS:** volunteers deliver hot lunches, for a small charge, to the homes of the elderly and disabled. **HOME SUPPORT:** seniors may qualify for help with bathing, dressing, making meals, basic cleaning or laundry, by trained and caring Home Support workers. If you would like to know more, please visit us at the Home Support office on Main Street or call us at 569-2266. If you would like to consider being an occasional volunteer for the Meals on Wheels program, please also phone or visit us to talk about this very worthwhile program. The Robson Valley Home Support Society wishes all our Seniors a happy and healthy Year.
