Police Report

McBride RCMP in cooperation with Yellowhead Helicopters, Robson Valley Search and Rescue, McBride Fire Department and Volunteers from Jasper, trained in swift water rescue have been searching the McKaile River to locate Mark ODDY, age 30 of Jasper, Alberta who went missing during a kayaking trip on the river on the 5th of June, 1999 at approximately 1:30pm. ODDY and a companion, Jordan DECHKA also of Jasper, were Kayaking the river with a third person spotting from the shore. The two kayaker's became stuck in a "hole" and could not get out. The spotter went to retrieve a throw line and both kayaker's where gone from the "hole" upon his return. DECHKA managed to leave his kayak and swim to shore and observed ODDY's empty kayak floating down stream. The initial search conducted on June 5th was unsuccessful in attempts to locate ODDY. The search continued on June 6th, 1999 with assistance from B.C. Forest Service Rap Attack, Prince George Search and Rescue, along with friends and family of the missing man. The empty Kayaks where retrieved along with a life jacket belonging to ODDY. ODDY has not been found and is presumed to have drowned in the mishap.
