Tourism has come and we are seeing a lot more motorhomes and that means more people on the highways. Oscar and I were coming home from P.G. and saw a really bad accident. It is quite sad to see. Also please watch out for animals as there seem to be more on the highways these days. Please take your time and drive safely it's not worth the lives of a loved one. Speeding isn't the answer, and please be cautious of creatures.
