Serving BC's Friendliest Town and Area!!

For the week of *Wednesday, Aug. 11th, 1999*

WEST FRASER TIMBER CO. LTD. BUYS ZEIDLER FOREST INDUSTRIES LTD.

West Fraser has entered into an agreement to acquire the assets and forest products business of Zeidler Forest Industries Ltd. The primary assets of Zeidler are a 240 MMSP (3/8" basis) capacity plywood plant in Edmonton, Alberta and a veneer plant in Slave Lake, Alberta. West Fraser believes that Zeidler is among the lowest cost plywood producers in Canada. The Alberta assets include timber cutting rights of approximately 500,000 m³ per year which are located adjacent to West Fraser's existing Alberta operations. This proximity is expected to create significant synergies. The addition of Zeidler's Alberta cutting rights will increase West Fraser's directly held conifer timber rights in Alberta by over 50% to approximately 1,350,000 m³ per year. The closing of the purchase of the Alberta-based assets is expected to take place on or about October 29, 1999. Zeidler also owns a veneer plant in McBride, B.C. and holds approximately 200,000 m² of annual timber cutting rights for this operation. Although the agreement includes the purchase of the B.C. operations West Fraser intends to seek a third party purchaser. The timing of the sale of the McBride assets is dependent of the potential third party purchase. The completion of both transactions is subject to customary regulatory approvals and further due diligence. As a result the parties have agreed not to publicly disclosed the purchase price. Oscar talked to Rodger Hutchinson of West Fraser Timber Co. Ltd. and was told that West Fraser was not planning on shutting down the plant in McBride right now or laying off staff because West Fraser wants to sell the McBride Plant as a working plant.

Corporation of the Village of McBride - The Village of McBride is inviting interested parties to partner with the Village for funding for Millennium projects. It is anticipated that the competition for the B.C. 2000 Community Spirit Grant funding will be very intense. Council feels that there would be a better chance of obtaining funding if the community would consolidate its support for a community wide, combined application. If you or your organization would like to participate in this years venture, please contact the Village office before August 27, 1999.
