After reconsidering winter weather conditions and temperatures, the Downtown Thrift Store on Dominion Street has altered it's winter hours to: 10am to 2pm Saturdays. Thank You.

Hey McBride did you catch the first act in this seasons McBride Roundhouse Theatre Society. It was a Band called Scrj MacDunk. This is a Celtic band out of Winnipeg. When Oscar and I saw them come on stage, we didn't really know what to think because wow they looked so young, but did they every fool us. They were really, really good. If you like Celtic music you should look for their CD's. This band was young but I tell you they sure knew how to get an audience going. If you ever have a chance to see Scrj MacDunk, don't miss it. -Broom

Also around town was the 1999 Robson Valley Trade Show. There was some pretty cool stuff. Some businesses I didn't know we had, but then that's the idea for a Trade Show. I did some mental shopping for the years to come. Like hardwood floors, fireplaces, rugs and tile etc., Oscar's was winter tires! It was a good turn out. The most popular booth was the Don't Drink & Drive tests where you wear the goggles and walk down the yellow line, I'm hopping everyone took this test. It amazed me, and people do this everyday - Drinking and Driving. I'm glad they came up with this test for the younger generation, to show them that it doesn't take much for your vision to go, while drinking. I know it won't stop some from Drinking, but hopefully it will make them choose to get a designated driver, or other ways to get home etc. instead of getting behind that wheel and taking the chance on their lives and the saddest part of all killing someone totally innocent.
