McBRIDE ROUNDHOUSE THEATRE SOCIETY

The next performance is Lowery Olafson. His music is about connecting, and saying the important things, and his songs often tell the stories of the everyday people he meets in his travels. In his live performances, Lowery develops a close rapport with his audience by introducing many of his songs with personal anecdotes. The intimacy of his concerts allows the listener to become an active participant in the musical experience. This is going to be a great show, so come to Roundhouse and check Lowery Olafson, Daryl Janke, Nathan Aswell out on Thursday October 21st, 8:00pm. See you there!!!

POLICE REPORT

October 8 - Police responded to a report of a minor motor vehicle accident in the McBride Chevron parking lot. A Valemount resident backed a pickup truck into a parked semi causing minor damage. The pickup driver then attempted to leave the scene. RCMP discovered the Valemount resident was under the influence of alcohol, and charges of driving while impaired and failure to provide a breath sample were laid. The person will appear in McBride Court December 3, 1999.

October 9 - Police found a vehicle driving on school property causing some damage at about 01:00am. The vehicle was stopped shortly after and the driver is currently being investigated for mischief. He was also charged under the Motor Vehicle Act for speeding, and one of his passengers under the Liquor Control and Licensing Act for minor in possession of alcohol.

October 10 - McBride detachment received a report of shots fired near a residence. The investigation is ongoing.

October 11 - A complaint of a vehicle westbound on Highway 16 with frost covered windows, and the driver leaning out the window to see was reported. Police would like to remind the driving public that as the cool weather approaches, please take the time to properly scrape the windows of your vehicle.

October 11 - At about 18:30, a tractor trailer, cattle unit turned over on its side at the east end of the West Twin Bridge. There were no injuries, however thirty-five of the one hundred and seven cattle were not recovered. The probable cause of the accident appears to be a shift in the load causing the unit to lose control. There were no charges as a result of the incident. The McBride RCMP would like to Thank the many people who were called, attended and assisted without hesitation!

October 14 - Three reports of hunting in vehicles at the Morkhill River were reported. As a result of this information, the Conservation Officer seized two moose and two males were charged.
