**POLICE REPORT**

December 6 - At approximately 13:00 hrs., a local resident reported losing control of his vehicle approximately 1km west of the West Twin Bridge. Even though it ended up in the ditch the vehicle suffered minor damage. No one was injured. Driving too fast for road conditions appeared to be a factor.

December 7 - At approximately 19:45 hrs., the RCMP attended the scene of a rolled over vehicle 2 kms west of Crescent Spur. The Prince George resident was travelling east on Hwy. 16 to the accident. The driver was attempting to switch to 4 wheel drive when the vehicle skidded and went over the embankment. No injury was reported. Driving too fast for road conditions and driver's inexperience appeared to be factors in this accident.

December 7 - At approximately 22:45 hrs., the RCMP attended the scene of another rolled over vehicle, this time across from the Powerhouse Pub on 1st Avenue. The driver, who is a local resident, had left the scene prior to police attendance, however he was located the next morning. Alcohol and driving too fast for road conditions were factors in this accident. No injury reported.

December 10 - At approximately 13:35 hrs., an out of town resident reported losing control of his vehicle approximately 1/2 km east of the West Twin Bridge. The vehicle was travelling east on Hwy 16 when it skidded into the oncoming traffic lane. The vehicle continued down the embankment and overturned several times. No one was injured, however the vehicle suffered extensive damage. Too fast for road conditions are believed to be a factor. THE RCMP would like to remind motorists to drive to the road conditions. The proper speed is the one that will keep the vehicle in control, not the posted one.

THE LOCAL DETACHMENT would also like to remind that the Christmas Counter Attack Roadblock Campaign is on its way; from December 8 to January 3. During that period, road checks will be conducted in various areas. Please DON'T DRINK AND DRIVE. Make sure you have a designated driver or take a taxi.
