EMPLOYEE - COMMUNITY GROUP UPDATE ON THE McBRIDE FOREST INDUSTRIES LTD. SITUATION

The Committee deeply apologizes for cancelling at the last minute the December 2nd meeting, especially to those of you who came not knowing about the cancellation. Thank You for your patience. The Committee decided to cancel the meeting after Carrier Lumber decided to not proceed any further within the current selling process as set by West Fraser and P.N. Buckley & Associates (the consultant coordinating the process on behalf of West Fraser). Carrier believes this process is simply not a good way of not doing business. The Committee has met and has determined a new strategy in two points. 1- We are still actively seeking out a partner that will fill the gaps of our business plan, namely in regards to marketing. 2- We are negotiating directly with West Fraser. In conjunction with the negotiations, we are preparing a detailed business plan. You will understand that detailed information in regards to negotiations are confidential and only the negotiation team have access to it. The team is composed of Gene Runtz, Mike Monroe, Ed Cobb, Rick Munro, and Jean-Marc Lacasse. We are hopeful to give you more information next week. Feel free to contact any Committee members if you have any questions.

THANK YOU

Craft Pair Thank You from the Secondary's Drama Club. Special Thanks to Mike & John Moseley, Tony & Rachel Rykes, Nolan Edwards, Daylene Bodnarchuk, Travis Wall, Jacques Franke, Bob Thompson, Kijell Velestrand, Sasha Lewis, Karita Hunt and Sonia Cowburn for all the help with moving the tables and chairs. Big Thanks to Sellers; The Community Shoppers; Elks and Arena for use of the tables; the Bank for the use of their mats; and to Christine Monroe for returning the mats to the bank.
