FARNSWORTH ACUPUNCTURE

Your Health Alternative
Menore's Syndrome/Disease

This is an affliction of the inner ear that causes vertigo, spaciness, ringing in the ears, nausea and vomiting. I have treated many patients with this problem and most have responded within 10 treatments. Herbal support is required subsequent to acupuncture to alleviate the root problem. Homeopathies to alleviate vertigo and nausea are also of benefit. Western medicine does not have an effective treatment for this malady. Partial deafness that is not sensorineural can also be benefited by acupuncture and herbal treatment.
