## POLICE REPORT

On the 10th of June RCMP responded to a report of property damage on Westlund Road after a single vehicle rollover. The matter has been investigated and delt with.

On the 11th of June McBride RCMP responded to a report of a theft of a motor vehicle. The vehicle, a 1985 GMC bearing British Columbia license plates 65 26 AS, was taken from a residence on McBride South Road and was then used in the theft of a motorcycle and atv from a residence on Bridge Road. To date the vehicles have not been located. The investigation is continuing.

McBride RCMP would like to remind everyone to take some basic precautions by securing their property and locking vehicles when not in use and locking residences particularly when no one is home. We live in a quiet area but we are not immune from crime.

On the same day, an elderly male reported his black leather wallet was missing and believed to be lost in the McBride area. The man was travelling to Alberta. If anyone finds it, please turn it in to the McBride RCMP Detachment.

On the 12th of June police were contacted by a female from Alberta who had been travelling back to Alberta. The driver advised that she had stopped at the Slim Creek rest area and left her vehicle. Upon her return the vehicle had rolled into the river and was been carried down stream. The vehicle a 1983 Chev Cavalier, green in color, has not been recovered.

RCMP responded to an alarm on Westlund Road on the 13th of June. The alarm had accidentally been activated and there was no problem.

The remainder of calls were routine in nature of general assistance. Just a reminder that we require one weeks notice on Special Occasion Permits prior to the event.
