**AROUND THE SCHOOLS**

McBride Secondary School Drama Club Presents "The Magic Touch". This is a play brought back over twenty years later. Some adults in our Community will recall when they were in this show. It's going to be a great show, details to follow soon. McBride Roundhouse Theatre Society is pleased to participate in the "B.C. Year 2000" Community Development Project. Funds were granted to help purchase lighting equipment. This fund was created to support Community Projects in the New Millennium. The Roundhouse Theatre Society applied for and received \$6,100 for one half of the project cost. With support from the High School Drama Club, The Roundhouse will match the grant providing a combined total of \$12,200 fund to the effort. The result will be a lasting legacy for the Community. The equipment purchased will remain in the Roundhouse Theatre available for use by the society, the school and community.

## THOUGHT OF THE WEEK

Some early etymological scholars came up with derivations that were hard for the public to believe. The term "etymology" was formed from the Latin "etus" ("eaten"), the root "mal" ("bad"), and "logy" ("study of"). It means "the study of things that are hard to swallow."
