POLICE REPORT

On July 23, a 26 year old male, member of the Rap Attack, fell down several feet while hiking at Rainbow Falls. The victim, who is from Victoria, was located by some friends several hours after the fall. McBride Ambulance personnel along with the Fire Rescue Unit assisted in the recovery of the victim. The victim suffered of spinal injury.

On July 25, a Prince George resident attended the police station to report that he hit a moose approximately 18 kilometres east of McBride. Considering the impact, only minor damage were noted on the vehicle and no one was injured. On the same day McBride was visited by the ICBC Youth Initiative Program. Two Speed Boards were installed on Hwy. 16 in the 70km/hr. zone. Drivers were able to see their speed as they travelled by the boards. The RCMP are pleased to report that no Violation Tickets were issued during that time. On July 27, the RCMP responded to a single motor vehicle accident approximately 14 km east of Ma & Pa's Dinner in Dome Creek. The vehicle ended up in the ditch and the two occupants suffered of minor injuries.
