FALL FAIR 2000

The Robson Valley Fall Fair Committee would like to thank all the volunteers for their help this year with the Fair. It was very much appreciated. We would also like to thank all the participants and advertisers and anyone we may have missed. This year the Fair entries were down a bit compared to previous years but we are hoping next year will pick up again. Please remember that it is never too early to think about items for the Fall Fair.

BIRD REPORT

Attention Bird Watchers - Les Balla has spotted the Greese coming from the North but he also has 2 Swallows raising their young at his place. He was wondering which birds were right and which birds were wrong for the up coming season, the Geese or the Swallows?

POLICE REPORT

On August 12, a report of a motor vehicle accident involving a deer was received. The accident occurred on Hwy. 16 near Dore River Rd. No one was injured.
Also on August 12, the RCMP stopped a vehicle on Hwy 16 for excessive speed. The driver of the vehicle displayed signs of impairment by alcohol and received a 24 hour suspension along with a \$345.00 fine for speeding.

On August 17, the RCMP received a complaint of loud music from a residence on 4th Ave. The matter was resolved informally. The RCMP would like to remind the McBride residents that under the Village Noise Control By-Law, enforcement can be done any time of the day.

On August 18, at approximately 2:15a.m. the RCMP attended a complaint of disturbance at the North Country Lodge. Two intoxicated individuals were banging on doors and waking up people. They were both removed from the area. No charges were laid.

Over this past week, the RCMP also attended three separate calls where people were arrested under the Mental Health Act. Two of them were transferred to Prince George Regional Hospital for psychiatric evaluation.
