## BACK TO SCHOOL

Next Week is back to school time, so just a reminder to everyone that school zones are in effect. Remember that there is no speeding down Main Street due to it being a school zone. So please be Careful on how you drive. With the new school being built, it may be even more confusing for the children, so that's why we need to be more alert, slow down and drive safely.

## AROUND THE WORLD

Well the #1 Show, Survivors, is finally done and we are all waiting for Survivors 2 to come out. If you were like Oscar and Me you sat down Every Wednesday to watch the show. I did miss episode 2 which was good because I don't think I could have watched people eating those worms. It's amazing what people will do for a Million Bucks. Who did you Vote For??? I voted for Richard, he was very smart to form the alliance and knew what he was doing from day one. But I thought deep down inside Rudy was the one who was going to Win the Million. In all the poles around the world people thought for sure Rudy was the one, but he just had to take his hand off the Pole - Rudy, Rudy, Rudy. I bet you he's not going to watch that eposide. I'm looking forward to Show number 2 in Australia but have to admit the first deadly spider I saw I would be out of there.
