POLICE REPORT

On September 16, three local males were checked on Main St. after being observed with open liquor. The remainder of the liquor was seized and no charges were laid.

Two local residents were involved in a motor vehicle incident September 16, when the street bike they were riding slipped out from under them on south east frontage road when travelling from gravel onto pavement. The driver showed minor signs of impairment and was given a 24 hour licence suspension. Both occupants were taken to McBride Hospital where they were treated and released.

On the 16th of September a found bicycle was turned into the McBride detachment. Anyone missing a bike is asked to contact the McBride RCMP and describe same.

On September 19 a report of a lost Welding Helmet was received by McBride RCMP. The helmet was lost between McBride and Dore River Road. Anyone finding the helmet or information on the whereabouts of this item, is asked to please contact the McBride RCMP Detachment.

On the 20th of September a black and white male Collie dog was found around the west Twin area. The dog is around 4-7 years old, and was heading into McBride. The animal does have a collar, and is looking for its owners. The owner is asked to contact the McBride RCMP. This pet wants to go home.

The rest of the calls were routine in nature, and of general assistance.
