On the 26, of October, a red Cruise Vest was reported lost around the Small River area, this vest is used for work and contains some valuable items, if anyone has any information as to the whereabouts of this vest, please contact the RCMP.

On the 26 of October McBride RCMP responded to a complaint of break enter and theft at a residence on 5th Ave. The B&E occurred sometime during the 21st and 22nd of October. Alcohol and cash were taken. Anyone having any information regards to this offence is asked to contact the McBride RCMP.

Recently our community has seen the introduction of video lottery terminals. These devices are not licensed by the Lottery Corporation and are intended for entertainment only just like other video arcade games. When these devices are used as a form of gambling where a pay out of any type is offered they become illegal. (i.e money, prizes, drinks etc.)

Any business operating these VLT's illegally is committing a criminal offence of running what is called a gaming or betting house.

Also any person participating in the playing of illegal VLT's is in contravention of the Criminal Code and can be charged for being in a common gaming or betting house.

No criminal charges have been laid at this time however the business has been advised of the law and given the opportunity to rectify the situation on their own. We are also to educate the public who could unwittingly find themselves in an illegal situation. The remainder calls were of routine nature.
