HAPPY EASTER

The Easter Bunny is not a modern invention. The symbol originated with the pagan festival of Easter. The goddess, Easte, was worshipped by the Anglo-Saxons through her earthly symbol, the rabbit. The Germans brought the symbol of the Easter rabbit to America. It was widely ignored by other Christians until shortly after the Civil War. As with the Easter Bunny and the holiday itself, the Easter Egg predates the Christian holiday of Easter. The exchange of eggs in the springtime is a custom that was centuries old when Easter was first celebrated by Christians. From the earliest times, the egg was a symbol of rebirth in most cultures. Eggs were often wrapped in gold leaf or, if you were a peasant, colored brightly by boiling them with the leaves or petals of certain flowers.

April 01, 2001 - in the early morning hours a vehicle was observed speeding along Main Street in McBride. The driver from Alberta was issued a 24 hour roadside suspension.

April 2, 2001 a report was made to the RCMP that a bike and knapsack were found in front of the info center. Owner may claim by identifying at the RCMP Detachment.
 The reminder of the calls were for general assistance and routine in nature.

The caller will be provided with information on your account and will be in position to charge long distance calls to you.
