WARNING

Foot-and-mouth disease is an acute infectious viral disease causing fever, followed by the development of vesicles (blisters) chiefly in the mouth and on the feet. It is probably more infectious than any other disease affecting animals and spreads rapidly if uncontrolled. The virus is present in great quantity in the fluid from the blisters, and it can also occur in the saliva, exhaled air, milk and dung. It affects cattle, sheep, pigs, and goats. Wild and domestic cloven hooved animals and elephants, hedgehogs and rats are also susceptible. Airborne spread of the virus can take place and under favourable climatic conditions the disease may be spread considerable distances by this route. Any of these can be a source of infection to other stock. At the height of the disease, virus is present in the blood and all parts of the body. Heat, sunlight and disinfectants will destroy the virus, whereas cold and darkness tend to keep it alive. Under favourable conditions it can survive for long periods. Any person who has attended diseased animals can spread the disease; and dogs, cats, poultry, wild game and vermin may also carry infected material. For more info call Ag. Canada in Prince George at 1-800-334-3011 or attend the seminar in Abbotsford by the Min. of Food Agency & the Min. of Ag. on April 23.

COMMUNITY CLEAN UP & BBQ
The 21st annual community clean-up starts at 1:00p.m. in the Village Park. Bring your moms, dads, kids, friends, relatives, neighbours and a pair of gloves. After the town is ready for summer, there will be a barbecue in the park for all of the dedicated volunteers. This is also your chance to get rid of those hard to dispose of large items (fridges, stoves, hot water heaters, etc.). If you need something hauled away, phone the Village Office at 569-2229 and leave your name. This is going to be a fun and worth while day, so come and join us at 1:00p.m. in the Village Park.

THANK YOU

We would like to Thank everyone for the wonderful surprise dinner last Saturday & for the thoughtful gifts Especially to Heather and Jim for putting it all together. We have loved our stay in McBride and as Don so aptly put it, we will leave a little piece of our hearts here. There are so many that have touched our lives and need to be thanked. Thank you to everyone in McBride Minor Hockey, especially to Bob, Ken, Teresa, Dutch, Chad, Tim & Phillip for the incredible coaching and friendship you have shown Kyle and Christopher these past three years. They will always be McBride Grizzlies at heart. Thank You to the Oldimers, for the companionship on and off the ice & for leaving Don intact the last practice! Thank You to the McBride Curling Club for all the great times- again on and off the ice. Thank you to Sheryl and the Quilters Guild for the lovely wall hanging and for instilling in me the love of quilting. Thank You to all the staff of McBride Centennial & McBride Secondary for your friendship and dedication to our children's education - and to Mrs. Cholins class, Mrs. Walchuk's class & Mr. Dunns Tag class for making Alannah, Chris & Kyles last school days memorable! Thank You to the staff at the Scotia Bank for making me feel like one of the gang. And lastly, Thank You to the Village and District of McBride for welcoming the Campbells with open arms three years ago & making us feel so at home in this beautiful town. We will miss all of you dearly. Thank You. (Now aren't you glad I didn't make any speeches @ the dinners - once I start I can't stop!)

Love & Laughter
Don & Beth, Kyle, Chris & Alannah.

I would like to Thank the many people of McBride who helped me during my time of need. There are a lot of wonderful people in this town who opened both their homes and hearts to me at this tragic time. I would like to send special Thanks to Don & Darlene Koncar, Gene & Susan Runtz, Flo Mynio, Joy Hatchard, Dr. Cowburn and staff at McBride Hospital, Elk's and Royal Purple, the staff of E.P. Runtz & Assoc. Ltd. and to all my friends. You are all truly special people and its people like you that makes McBride such a special place. -Matthew Slaney
