MCBRIDE MINOR HOCKEY NEWS

On April 11th, McBride Minor Hockey held their annual Banquet. Barb Carr started the evening with the singing of O Canada followed by Grace. Steve Fleck was the M.C. for the evening. This is an evening when we can appreciate the efforts made by all the players, coaches, managers, referees, timekeepers and parents for the year. This year Bob Callaghan received the coach of the year award. His dedication is greatly appreciated. A fond farewell was wished to the Campbell family. This family with all their dedication and love of the game, coached, managed, held several positions on the executive. They will also be missed in the stands cheering for their two sons who were an asset to their teams. Each year we look for something to present to all of our players at the end of the year as a token for their hard work. This year with the generous donation of McBride Forest Industries we were able to give each player, coach and manager a fleece vest. These vests sport two emblems, one for McBride Minor Hockey the other for McBride Forest Industries. They look great! Gene and Suzi Runtz were on hand to present them. At the end of the evening we had our grand prize draw of a week of hockey school donated by Sylvan Lake that was won by Stefan Kimpton. What a great evening. Thanks to all participants. Hope to see you next year.

POLOGE REPORT

McBride Minor Hockey Executive
On April 13, 2001 a Burns Lake resident lost her wallet while travelling through McBride. Fortunately, the wallet was located on the side of the highway by a local resident and returned to the owner.

On April 14, 2001, two complaints of loud music/party coming from the same residence in the 800 block of 4th Ave. were received; the first one at approximately 4:00 a.m. and the other at 7:00 p.m. The incidents were resolved informally. The RCMP would like to remind all residents that this kind of behaviour could result in a change of Mischief under the Criminal Code. It should also be noted that the Village of McBride has a noise By-Law, which authorizes the RCMP to seize stereo equipment, vehicles or any other devices used to create noise.

April 16, 2001, the RCMP responded to an alarm at a local business in McBride. A patrol was made and the alarm checked out to be false.
