**NEW BUSINESS GRAND  
OPENING & BARBEQUE**

SNOWY RIVER FARM SUPPLY is pleased to invite the residents of the Robson Valley to attend their Grand Opening and 1st Annual Spring Bar-B-Q. Since opening our doors at the beginning of the year, we've been very happy with the excellent support we've received from the area residents and we sure like to hear all the positive feedback. We've planned this event as a Thank You to all our customers, and an invitation to everyone who hasn't been able to make it out to visit us yet. In an effort to plan events that appeal to everyone, we've invited many businesses that have products or services that are of interest to area residents, but are not always easily accessible. The Cardinal Ranch is going to be on hand to do a "Horse Whisperer" demo in the round corral, which has proved to be a big hit with the crowds that come to watch it; as well as kids rides throughout the afternoon. There will be farm equipment and Polaris ATV's here to check out and discuss with reps. The Bar-B-Q is a fund raiser in support of the Dunster 4-H Community Club who will be on hand flipping burgers and answering questions about their club. Another new business, The Traveling Broom Factory, will be set up on site and we encourage residents to come on out and see the art of broom making. Businesses have been incredibly supportive with their contributions for door prizes - some of the door prizes available are Horse & Pet food, a Rite-Lix Mineral Block, trail rides, steel fence posts, handcrafted brooms, a variety of hats and more. Our store is located in the historic Valley View Dairy barn and we ask that everyone with any information or memorabilia from the dairy come on out and share it with us. We hope to see you all out at the ranch May 12th. It's promising to be a really good time.

**MOTHERS DAY**

## POLICE REPORT

On April 28, 2001 the RCMP responded to a domestic dispute at a residence on Main St. A male resident was arrested for assault and released on conditions the next morning. Within minutes of his release the offender breached one of his conditions and was arrested once again. This time he was held in custody and transferred to Prince George for a court appearance.

On April 30, 2001 the RCMP responded to a single vehicle injury accident on Eddy Road. The four occupants suffered of minor injuries and were taken to McBride Hospital.

The remainder of the calls were of general assistance and routine in nature.

### HAPPY MOTHERS DAY

Mom's - Sunday May 13th is her Special Day - here is some things you can do to make her day special. Start off the day by giving her a kiss and hug in the morning, make her breakfast and coffee before she gets her day started. Put them on a table with a wonderful card with some flowers or that creative gift you made for her. Help clean the house, so she doesn't spend all day cleaning, then you'll have some time in the day to spend together, just relaxing.

If your mother is away from you, don't forget to send a card in the mail or a phone call to let her know your thinking of her. Another great thing you could do is E-Mail her - (don't forget to add a few pictures of old times) or Fax her a creative letter, thanking her for all the hard work she has done in raising you and your family.

### AROUND THE SCHOOLS

The Grad Class of 2001 is putting on a Talent Show. If you have a talent and would like to be a part of this wonderful event please call Crystal Norum at school 569-2295 or at home 968-4368. You can also Bid A Talent, if you know a Grad or another High School student who has a talent, you can Bid them in. Call Crystal for more information. Cut Off is Friday, May 20th, so hurry! The show is on Friday, June 1st and Saturday, June 2nd at the Roundhouse Theatre. Tickets are on sale at the High School, Stehmans and Advantage Insurance.

### MUST SELL

### DID YOU KNOW...

The term "the whole 9 yards" came from WW II fighter pilots in the Pacific. When arming their airplanes on the ground, the .50 calibre machine gun ammo belts measured exactly 27 feet, before being loaded into the fuselage. If the pilots fired all their ammo at a target, it got "the whole 9 yards".
