LIBRARY TALK

I would like to introduce a new column, "Library Talk." This column will keep you informed, on a regular basis, about the McBride & District Public Library's collection, services, and activities. Read "Library Talk" for our latest news and information. *Our "Summer Fun Program" has begun and the kids are having a great time. Children may attend on a regular or drop-in basis; program registrations are accepted at any time throughout the summer. *If you are thinking about career choices and opportunities, we have just received an Enviro-Career resource package published by the Canadian Council for Human Resources in the Environment Industry. The package includes a facilitator's guide, an introductory video, a printed guidebook, and a CD-ROM. The facilitator's guide contains lesson plans related to the five key environmental career areas: protection, conservation, promotion, exploration and management. The resource could be used for classroom instruction as well as individual research. **"Stay Tuned" to "Library Talk" for latest library news, information and activities.

SUMMER FUN PROGRAM 2001
