## STARR BROS. CIRCUS

Well the big night has come and gone, was it a great show or what!!! For some children it was their first Circus. I must say it had been a very long time for me. Some stuff was pretty cool - talk about some amazing stuff. Don't try these things at home - Juggling a torch, walking up and down a ladder while balancing a sword. Balancing on a flat platform on top of round tubes stacked on top of more round tubes. WOW Amazing. Those daring Gymnastic moves, especially up in the air - scary. And I have to mention those Hula Hoops - There were so many I didn't even bother to count, how hard would that be? Talk about a lot of practice, but incredible to watch. I must say it was a great evening. And how many of you got to ride the camel, how cool was that!! It was an amazing turn out and I'm glad everyone had a great time.

## THOUGHT OF THE WEEK

These days the necessities of life cost you about three times what they used to, and half the time they aren't even fit to drink.

The Fall Fair is coming very fast, have you got all your entries ready?? We still need the Community's help - we are looking for Wedding, Brides Maid and Grad Dresses to be modelled in this years Fashion Show. Our Fashion Shows have been getting bigger and bigger ever year with the Community's help, if your interested in getting your dress modelled or would like to model it yourself just phone Linda McClinton at 569-0321. We would also like to remind the community that we always need people to help set up and take down the exhibits on August 17th & 18th, for more information please contact Linda 569-0321 or Scott Glines 569-3110. One last thing, our Rafle Tickets for this years Fall Fair will be out soon so please don't forget to buy some. All locally handmade raffie prizes. This years DJ will be Pizzaz, he did a superb job last year so get ready to kick up your heels this year. Dance Tickets will also be coming on sale soon.
