The Wyrd Sisters - September 25, 2001 - Tickets available at Stedmans. Adults \$15.00 Students \$8.00. The Wyrd Sisters have brought their own unique blend of folk music to audiences in centres across Canada and the United States. These performances have reached diverse audiences at folk festivals, music clubs, benefit performances, international showcases and concert halls. Their music has also been heard on television and in film. The Wyrd Sisters' recordings feature thought provoking original compositions, songs that look at both the ambiguities and stark realities of life; that touch us where we feel most deeply but also make us laugh at our absurdities. Whether singing a cappella or with instruments, the Wyrd Sisters create a blend of music that stirs the imagination and moves the heart.

McBride Secondary School is looking for adults from the community with an interest in working with students at the school as coaches for a number of teams. McBride Secondary has players who are eager to participate in league competitions and tournaments. If you have some expertise in volleyball or basketball, have experience or interest in working with teens, please contact Rick Thompson, Principal McBride Secondary School. Last Friday, grade 8 students from McBride Secondary School participated in a great day of activities in Jasper. The field trip involved swimming, biking or hiking, lunch and lots of fun and getting to know each other better. Thanks to the parents who attended and to Mr. Valstrand and Mr. O'Brien for organizing and sponsoring this opportunity. Students in grade 9 are preparing for their annual trip to the Barnfield Marine Station in the spring. This field trip sponsored by Mrs. Howard and Mr. Bekus is a highlight of the year for our grade 9 class. The major fund raiser for this event is a tremendous community service - FIREWOOD! If you are interested in purchasing firewood while at the same time supporting our grade 9 students, please call the school at 569-2295 to place an order. Look for posters around town for more details. Grade 12 students will be travelling to Prince George on October 2 to hear presentations from Universities and Colleges in British Columbia. This field trip coordinated by Mr. Dunn provides our grade 12's with an introduction to some of the options that they might pursue after graduation.
