SCOTTABANK

Scottiabank would like to express their appreciation to all who donated to and supported the bake sale we hosted. Due to the support of the community a total of \$788.29 was raised for the Canadian Red Cross U.S. Appeal. The Fire Truck Cake was won by Dennis Watson and Paula Taphorn won the ceramic Greese Ornaments. Thank You to everyone who participated! On behalf of the Red Cross, Scottiabank will continue to accept donations until Oct. 12, 2001.

THANK YOU

The participants in the Ladies Golf Tournament would like to thank the following for their generous support: Bank Of Nova Scotia, Country King, Heart Health & Home, Robson Valley Hardware, Rose Garden Boutique, Siedmans. Thanks also to Jan at the Meadows Cafe for the Turkey Dinner.
Thank You - The participants in the Men's Club Golf Tournament wish to thank Jan at the Meadows Cafe for the delicious dinner after the golf tournament on Saturday.

POLICE REPORT

September 15, 2001, A complaint was received in the early morning hours of a semi truck and trailer in the ditch 27 kms east of the Dome Creek Diner. The semi slid into the ditch, partially blocking the east bound lane and completely blocking the west bound lane. The trailer was dug into the pavement and required a tow truck. Traffic control was set up until the tow truck arrived.

September 15, 2001, A complaint of a loud party at Koeneman Park was received in the late evening. Patrols were made and the party was broken up. One adult male was charged of consuming liquor in a public place.

September 16, 2001, A report of a single vehicle mva was reported. A vehicle rolled over coming very close to landing in the Holmes River. The three occupants were taken to the Hospital with minor injuries. Alcohol was a factor in this accident.

September 17, 2001, A complaint of attempted theft was reported in the early morning hours. A local resident woke up to the family dog barking. When the owner looked around outside, it was noted that his quad was parked in a different spot. The owner then heard a small quad leaving the area. Another report was made of a stolen atv Yamaha Big Bear 350 beige in color with luggage racks at the front and back. The atv was parked in front of the owners house with the keys in it. If anyone has any information on the above two incidents, they are asked to please contact the McBride RCMP Detachment at (250)569-2255. You may remain anonymous if you wish.

September 18, 2001, Information was received from a local business in town that some people claiming to be from Kamloops stayed in one of their hotel rooms and took some towels and a blanket valuing \$100.00 RCMP believe that an alias may have been used.

September 21, 2001, A complaint was received of insecure premises at a local business on Main Street. The building was secured and the owner advised. Nothing was reported missing.

The remainder of the calls were of a general nature and routine in service.

AROUND OUR SCHOOLS

FIREWOOD!!! Call McBride Secondary School at 569-2295 to place your order for firewood. Your orders will help our grade 9 students with their trip to the Bamfield Marine Station in the spring. **COMMUNITY CALENDARS** The Class of 2002 will begin selling community calendars this week. This is the 26th year that McBride Secondary has produced this calendar for the community! Grade 12 students will be contacting you to purchase a calendar. This is one of the major fund raisers for the graduation celebration and dinner. Your support is greatly appreciated. If you do not hear from a grade 12 student within the next couple of weeks and wish to purchase a calendar, please call the school at 569-2295.

NON-INSTRUCTIONAL DAY Last Friday was a non-instructional day. Teachers at McBride Secondary School spent the day learning. Mr. Thompson facilitated a workshop to teach staff how to use powerpoint in their classes and how to enable students to use powerpoint in their presentations. In the afternoon, staff explored the use of new technologies - the LCD projector, the digital video camera, the laser disk player and some new software. Non-Instructional Days provide teachers in the Robson Valley the opportunity to remain current on strategies for student success, to collaborate on best practices for success and to implement new techniques for use in their classrooms.
