McBride Secondary School will be hosting the Christmas Craft Fair in our school gymnasium on Saturday, November 24th. Doors will be open from 11:00am through 3:00pm. We have 40 tables of beautiful hand crafts from throughout the Robson Valley. We are happy to welcome back many sellers from last year and new sellers as well. The selection includes: pottery, ceramics, baking, chocolates, brooms, candles, stained glass, soaps, as well as a large variety of sewing, wood, wire and straw crafts. Also at the Craft Fair will be the Hospital Auxiliary's Angel Tree.

## DO YOU KNOW?

I have some space to fill for this weeks paper so I thought what better place to put a question that is on my mind. I sent this question in to "At Discovery Canada", but have not received a reply back as of yet. My question is "Why is it that when you wake up in the morning or after a short 10 minute power nap, the inside of your mouth tastes like you have just eaten something rotten? What causes this? Anyone with an answer can fax or email me so I can put the answer in the paper, as I know that a lot of other people are wondering the same thing. -Oscar
