Scotiabank 2nd Annual Seniors Christmas Hamper

Thank you everyone for your generous support for the 2nd annual Seniors christmas hamper. Together we were able to raise \$400.00 through hamper ticket sales. The Scotiabank has matched with an additional \$400.00 and a total of \$800.00 is being contributed to the Seniors to use. The lucky winner of the hamper was Lauren Monroe. We would like to thank you for allowing us to be a part of this great community.

Merry Christmas from Darrell & Diane and Family from the McBride Old Fashioned Broom Factory

Great Idea for 2002...

Are you planning a Family Reunion, Wedding, Anniversary, Special Event...??

If you have a special tree from your farm, yard or homestead we can make beautiful corn brooms using the branches from your tree for handles. These **HERLROOM BROOMS** are functional and long lasting keepsakes that remind the sweeper of home every time they use it! *Have a Family Broom made for everyone...* but make your order now so we can pick the right branches and prepare them properly. Or we can show you how to prepare the handles yourself!!

More Ideas...

Let us put a broom on Great Grandma's cane or walking stick she left to you!! Use the broom for years and if it wears out bring it back and have a new broom fastened again and again so you can sweep with Grandma every day!!

Planning a Trip?? Find a branch on your travels and let us put a beautiful corn broom on it!! *A small whisk, hearth or full-size broom makes great souvenir!!*

Other unique broom handle possibilities...

- • • • • Dad's leg got better so make a souvenir broom on his crutch!!
- • • • • Grandpa's old work horse has a worn horseshoe that would make a real special handle for a hearth broom!! Or a horseshoe could have 2 small brooms made on each "leg" and stitched into one broom for a "Two Become One" wedding broom!!
- • • • • An old wooden spoon, a retired hammer, the old pitchfork, a baseball bat... use your imagination and specialize a gift for someone or yourself!! The possibilities are endless!! *A broom attached to the barrel of a rifle could be a real blast!!*

All our brooms are made with the finest unprocessed broom corn and will sweep tile floors, carpets, decks and walks for years of service.

They are beautiful to have around as decorations too... but *we strongly encourage you to use them so they will eventually wear out and we can sell you another one!!* Leaving them out in the driveway, in the mud or using them to hit the cows into the trailer or whacking the kids out for chores and using them as paddles for your canoe will also shorten the life of your broom. *We recommend all these uses!!*

Have a Wonderful Christmas Season and a Terrific New Year!!

All the Best!!

Darrell Roth - Robson Valley Broom Squire (R.V.B.S.)
