THINK ABOUT IT...

I wonder how much deeper the ocean would be without sponges?
MCBRIDE ROUNDHOUSE THEATRE

The Dufay Collective was formed in 1987 to explore the rich and varied repertoire of the Middle Ages and Renaissance. They are a group of musicians who work together, as their name implies, without a director. The highly successful 12 years since its formation have taken The Dufay Collective on tours throughout most of Europe as well as further afield. They have toured extensively in the Middle East, India, Hong Kong, Australia, the US and Latin America. At home The Dufay Collective has appeared in numerous concert series and festivals around the country, and has given sell-out concerts at London's main concert halls. The group has broadcast on many radio and TV networks around the world as well as on a number of film projects, including Zeffirelli's feature film Hamlet. Their CD's have all met with critical acclaim, releases for Chandos Records including a range of repertoire from medieval Europe, the early Spanish renaissance and popular music from 17th century England. Come out and enjoy the Show!!! Wednesday, February 27th.

POLICE REPORT

February 16, 2002, A report was received of a hit and run to a vehicle that was parked in front of 1148 McBride Crescent. Anyone with information in regards to the incident is asked to contact the McBride RCMP Detachment at (250)569-2255. Please be aware that you can remain anonymous.

February 16, 2002, A report was received of a non Injury motor vehicle accident 108 km west of McBride on Highway 16 near Penny.

February 17, 2001, An alarm call was received at a local residence in the village area. Upon attendance the alarm was concluded as false, as it was set off in error.

February 18, 2002, A report was received of a non injury motor vehicle accident 60 km west of McBride on Highway 16. The driver of a Freight truck pulled off to the right to avoid oncoming traffic and hit a soft bank and was pulled into the ditch. The visibility at the time was very poor.

February 19, 2002, A report of another non injury motor vehicle accident was received this time 42 km east of McBride on Highway 16. A deer had come out of the ditch and the driver side swiped the deer causing around \$4000.00 damage to the front grill and passenger side fender. The deer unfortunately, did not survive.

February 19, 2002, A licence plate registered to a freight company in Saskatchewan was recovered at the North Country Lodge. The registered owners were contacted and the licence plate was forwarded to them.

February 20, 2002, A report was received of a non injury motor vehicle accident with a moose, 35 km west of McBride on Highway 16.

February 21, 2002, A report was received of another motor vehicle accident with a moose, 20 km east of McBride on Highway 16. The truck received minor damage to the front hood, radiator and grill. Unfortunately the moose did not survive.

The remainder of the calls were of general service and routine in nature.

AROUND OUR SCHOOLS

The McBride Secondary Senior Boys Basketball Team under the direction of Mr. Edwards competed at the zone tournament in Prince George this past weekend. The boys played well but did not have a strong contingent of seniors to be able to compete with some of the other teams. They played well winning one and losing two to complete their season. Congratulations to the team and coach.

Grade 10 students at McBride Secondary School will travel to Prince George on Wednesday to participate in the Path to Your Future event. This field trip provides all grade 10 students with the opportunity to see career options available and the educational requirements to get into careers. Mr. Bekus and Betty-Jo Critchfield will travel with the students to the College of New Caledonia for this event.

Semester One Report Cards were sent home last week with all students at McBride Secondary School. If you have questions about the marks provided or wish to discuss the progress of your son/daughter, please contact the school to discuss progress over the phone or to arrange a meeting with individual teachers.

Friday March 1st is a Non Instructional Day. Students will not be in attendance on that date. Teachers will be participating in a variety of workshops throughout School District No. 57.

FIRE A STUDENT

Do you have any odd jobs around the house (stack wood, shovel snow, houseclean etc.)? The Grade 12 Grad 2002 Trip students are willing and able to work. Cost is \$8.00/hour/student. For more information, call Kathy Molendyk at 569-2295 or 569-3229. All money raised goes towards their trip to Edmonton.

PRESENTATION

Dr. Ron Aspinall, an anti-aging specialist from Victoria B.C., is giving a presentation on new, scientifically-based improvements in nutrition. The talk is entitled "The New Nutrition" and explains why sugar and starch is so damaging and age accelerating to the body. He will discuss why low fat diets don't work (and don't taste very good), as well as discussing good versus bad fats, important age-slowing vitamins and supplements. "The New Nutrition" will be presented this Thursday, February 28, 2002 from 7:00pm to 8:00pm in Room 141 of the McBride Secondary School. There is No Charge, and All Ages Are Welcome. The old North American food guidelines are wrong - learn how to eat strong and slow the aging process.

THOUGHT OF THE WEEK FINE FREE FEBRUARY

The 50-50-90 rule: Any time you have a 50-50 chance of getting something right, there's a 90% probability you'll get it wrong.
The McBride & District Public Library would like to remind everyone that February is amnesty month at the Library, so if you have any overdue items lurking around the house in the closet, under the bed, wherever, now would be a perfect time to bring them back. If you think you may have an overdue book, but you're not sure, just give us a call at the Library. We'll be happy to let you know what items you have checked out. After February our fines will be 5 cents per item per day on materials from our library collection.
Library Hours: Tues. - 10:00 - 5:00 & 7:00 - 9:00, Wed. - 10:00 - 2:00, Fri. - 2:00 - 9:00, Sat. - 2:00 - 5:00. Phone number 569-2411.

EMPLOYMENT OPPORTUNITY PUBLIC WORKS SUPERVISOR/FOREMAN

Reporting to the Administrator, this is a working supervisor position responsible for directing public works staff and contractors in the water distribution, and sanitary sewer collection systems, road and drainage maintenance, parks and facilities maintenance and capital projects. Incumbent will be required to perform the duties involved in the various positions, including assisting with physical effort as required.

Summary of Duties & Responsibilities: (Full job specs .available at Village office)

- Supervises and assists with preventive maintenance and repairs to water and sewer systems; installs and calibrates equipment including cleaning and inspection of lift station, pumps, reservoirs and lines. Ensures test procedures are done on a regular basis; assists in interpreting readings and results to make corrective adjustments.
- Supervises and assists with repair and maintenance of streets, sidewalks, land drainage, etc., including snow removal, street signs, road markings, traffic control devices, etc.
- Supervises and assists in the maintenance of parks grounds and equipment, cemetery, municipal buildings, grounds, equipment, and various related infrastructure.
- Assists with equipment maintenance, prepares maintenance and replacement schedules.
- Supervision of Works Dept. personnel and contractors; prepares work plans and schedules, participates in staff hiring, training, and evaluation. Ensures compliance with safety regulations and Village policies.
- Prepares and maintains records, schedules and reports; assists with policy & procedure development, long and short range planning and budgeting. Ensures compliance with requirements of all regulatory bodies.

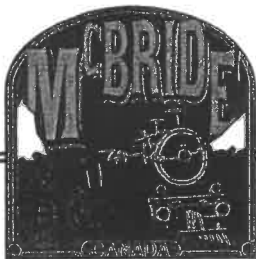

Qualifications Required

- Six years of progressively responsible work experience in the utilities or general maintenance and trade area, with a minimum of three years of supervisory experience. This supervisory experience should be current (within the last five years) and be experienced in supervising similar crews and activities as found in public works operations.
- Possession of or ability to obtain a valid BC class 111 drivers license with an air endorsement .
- Possession of or ability to obtain appropriate certifications in Water Distribution - Level 1, Cross Connection Control Specialist, Treatment Plant Operator, CPR and First Aid Certificates.

This position requires the incumbent to attend meetings and respond to emergencies outside of normal hours as required. The successful candidate must be a team player, will possess excellent communication, interpersonal, public relations and time management skills, and possess strong oral and written communication skills. Incumbent will exercise a high degree of independent judgment in the provision of services within approved policies.

This is a permanent, full-time position with a competitive salary and benefit package for the right candidate. Please forward your resume in confidence to Mr. Laird Irvine, Administrator, at the above address by Friday, March 22, 2002
