## JOKE FOR THE WEEK

A P.E.I. potato met an Idaho potato and fell in love. They married and soon had a little Sweet Potato. She grew up and started to go out and met and fell in love with a radio announcer. She took him home and said that she wanted to marry the announcer. Her parents said "Never! No daughter of ours is going to marry a commentator!" What has two knees and swims really well? Two-knee fish!!

(Thanks to Pete Amoyony for these jokes)

## THANK YOU

Also to Suzanne Pepper and Arlene, the United Church for use of the Hall. New friends were made and a good time was had by all. Thank you - Brown Owl Carol and the 1st McBride Brownies.

## Dial-Up Internet Now Available!

We added 2 new servers, and a bank of phone lines to our office. We now have technical staff available Monday through Saturday during business hours to answer all your questions, or help troubleshoot your problems, and make sure you stay connected. Dialup customers will receive instant e-mail messaging, and we will be blocking the most common file types associated with viruses to minimize (almost eliminate) the threat of viruses.

## Wireless Internet Available Valley Wide!

With the addition of our new mountain top repeater almost everybody in the Robson Valley can receive wireless Internet. No phone lines, always on, instant e-mail, broadband connection, and full time customer support. Make this the best Internet option in the Valley.
