AROUND OUR SCHOOLS

School District No. 57 is facing a \$9.1M deficit in the next school
year due to declining enrolment and the new funding formula for
public education. The School District will be holding a public input
session at McBride Secondary School on Thursday, April 11 at
McBride Secondary School Library starting at 7:00pm. **Motivational
Media** has been invited back to McBride Secondary to present the
Multimedia Show 180. This presentation will take place in our
gymnasium on Friday, April 12, 2002. This show will encourage
students to have a positive attitude about their lives and futures. The
show will encourage them to do a 180 and "turn things around" in
their lives and approach the future with a positive contagious attitude.
This motivational show may be good for the whole community!
Community members who want to see this presentation can attend
starting at 1:30pm on April 12. Term Three ends on April 12th
at McBride Secondary School. Students are reminded to ensure that
they are up to date with all of their assignments before mark cut off.
Also, grade 12 students are reminded that at the end of term three
they must be in a position to graduate in order to participate in the
graduation ceremony. Please see your counsellor if you are not sure
of your graduation status. McBride Secondary School will be
running the Food Safe Course on April 25th and 26th. There are
a limited number of spots if community members would like to
obtain that training and qualification. Please contact the school for
specific cost and time information.

MCVALE MIDGETS

McVale Midgets - Provincial News: The McVale Midget Hockey team has arrived home from participating in the B.C.A.H.A. Midget Provincials in Hollyburn, West Vancouver. There were seven teams participating: Northwest B.C. was represented by "Fraser Lake", Northeast B.C. by "McVale", Okanagan by "Jumbo", Vancouver Island by "Lake Cowichan", West Kootenay by "Golden", East Kootenay by "Grand Forks" and Vancouver area by the host team "Hollyburn". Two teams, "Golden" and "Grand Forks" were combined teams like "McVale". "Golden" joined with Invermere and "Grand Forks" joined with Midway. McVale was the only team that had female hockey players on it. McVale's first game was against "Golden", "Golden" won 7 to 3. Game two saw McVale playing "Lake Cowichan", "Lake Cowichan" won 10 to 6. McVale's next game was against "Fraser Lake", "Fraser Lake" won 10 to 5. Game 4 was McVale vs "Grand Forks", "Grand Forks" won 6 to 2. Game 5 was McVale vs "Jumbo", "Jumbo" won 8 to 6. McVale's final game was against the host team "Hollyburn", "Hollyburn" won by the score of 10 to 2. McVale played hard in every game and the scores in the games do not indicate how close the games were. McVale pressed every team but seemed to come up short in the third period. Coaches, parents and players were very impressed by the sportsmanship that McVale showed in every game and they were chosen to win the "Fair Play" trophy sponsored by the Hollyburn Country Club. Congratulations!! All the McVale players enjoyed the competition and the Vancouver area despite the snow that fell for a couple of days. The team would like to thank again the communities of Valemount and McBride for making this trip possible.

What to look for in a chain saw...

Before you choose a chain saw, be sure you know what you're getting for your money. Look for a saw that has:

- **Inertia activated chain brake** - insist on this vital safety feature that automatically stops a moving chain in-milliseconds in the event of kickback
- **Handle mounted controls** that can be safely operated while keeping both hands properly placed on the saw handles
- **Inboard chain brake** - protected from dirt and wood chips
- **Outboard mounted sprocket** for fast, simple chain replacement
- **Dual piston rings** - cool more efficiently for longer engine life
