### ANOTHER

## THOUGHT OF THE WEEK

Change is inevitable, except from a vending machine.

### VARIETY NIGHT

The Grad 2002 Trip students will be hosting a Variety Night on 7:00 p.m., Thursday, May 30th at the McBride Secondary School. Come Out and see performances by people in our community. We are looking for local talent. If you are interested in being part of our show, call Jessica Arnold 569-3396 or Debra Charter 569-2519 for more info. Registration forms can be picked up at the McBride Secondary School. Deadline to register is Friday, May 24th.

There will be coffee and goodies available during the intermission. Proceeds for the evening go towards the Grad trip to Edmonton. Cost for the show will be: Family \$12.00 Adult \$5.00 Student/Senior \$3.00 and children under 5 free. There has always been a lot of great talent, and tickets sell out fast, so make sure you pick up your tickets at Stedman's or at the McBride Secondary School as there may not be tickets available at the door.

## COUNTERFEIT MONEY

### WHAT TO DO IF A COUNTERFEIT IS DETECTED?

- \* Retain the note if possible
- \* Record details of the note (denomination, serial number, etc.).
- \* Call your local police.
- \* Give the note to the police.
- \* Provide the police with any information, description or identification (license plate, etc.) about the person who gave you the note or about the source if it was received in a payment or deposit.

### How to tell the right bills:

- \* Colour Patch (optical Security Device) - Appears on the \$20, \$50, \$100 and \$1000 notes. No patch on the \$5 and \$10 notes. - Changes colour from gold to green when tilted - Cannot be peeled off.
- \* Green Dots (Planchettes) - Small green dots that appear randomly on both sides of the note and glow (fluoresce) under ultraviolet light.
- Can be removed if scratched.
- \* Raised Ink (Intaglio) - Clarity and sharpness of images and printing. - The ink used on the numerals, portrait, coat of arms, broad bands and vignette of the Parliament Buildings feel thicker to the touch.
- \* Portrait - Concentric circles within the eyes; fine lines in hair and face. - Raised ink feels thicker to the touch.
