gifts at Grad. Much enjoyment is brought to me as I bring this special day together for you. Many people deserve a thank you, Ted and Wes you did a fantastic job of Masters of Ceremonies. The school board reps and their messages, the principal's message, and the guest speaker, her tails of the grads brought many memories to us. The toasts the love that came out of these brought a tear or two. The Robson Valley Rec Center staff and your assistance were greatly appreciated. Rob Carpino thanks for the tunes, and the use of your equipment. Lily and Town Country Catering did an awesome job of the banquet. Most of all I just want to say Thank you to the community and all my helpers throughout the year, to ordering of things, flowers, photographer, typing a letter, drawing the mural, painting, decorating whether it is hauling a chair, or folding a program, all these hands help make this event for the grads a success. Have a great summer, and I look forward to starting Grad 2003 in the fall.
